

**“Nothing is so beautiful as spring-
When weeds, in wheels, shoot long
and lovely and lush; Thrush’s eggs
look little low heavens, and thrush
Through the echoing timber does so
rinse and wring The ear, it strikes like
lightnings to hear him sing; The glassy
peartree leaves and blooms, they
brush The descending blue; that blue
is all in a rush With richness; the racing
lambs too have fair their fling. What is
all this juice and all this joy? A strain of
the earth’s sweet being in the
beginning In Eden garden.-Have, get,
before it cloy.”**
