environments but fossils found at the poles are filling in the gap of knowledge about how and where these creatures lived Evidence from bones and teeth to trackways and skin impressions raises important questions How did dinosaurs cope with three months of total darkness in winter What plants grew in the polar regions How cold was it What are the implications for today as glaciers retreat ice shelves melt and permafrost thaws The polar regions are a unique library of the past and Caroline Arnold introduces readers to the gigantic prehistoric creatures that inhabited them Tale of a Tooth: Heart-rending story of domestic abuse through a child's eyes Allie Rogers, 2018-04-19 An extraordinary story of the bond between a mother and her son Four year old Danny s voice is utterly convincing heartbreaking and ultimately full of love and hope Catherine Hall Four year old Danny lives with his mother Natalie in a small Sussex town Life is a struggle and when they are threatened with a benefits sanction salvation appears in the form of a Job Centre employee called Karen But Karen s impact is to reach far beyond this one generous gesture as she and Natalie embark on an intense relationship Told in the voice of an intelligent passionate and unusual child Tale of a Tooth is an immersive and compelling look at the impact of domestic abuse on a vulnerable family unit What Reviewers and Readers Said Allie Rogers strikes gold again A book about issues that isn t issue led and a book about childhood that isn t mawkish and emotional Allie Rogers has in Tale of a Tooth created a tale that s original powerful and long lasting Danny s voice is readable memorable and may have just changed my mind about child narrators The Book Bag It was a challenging read in terms of exploring the often taboo issue of domestic violence between women which makes this a hugely important novel Exploring a narrative which is too often kept private but nevertheless desperately needs to be told Allie Rogers is unflinching in her descriptions of bullying and brutality which can be found within relationships For this she deserves to be congratulated Jess Richards Via a unique compelling utterly original voice and characters I loved from page one Tale of a Tooth tells a critical timely heart breaking story of a little boy and his mother navigating the hard parts of life with grace and wisdom and most importantly each other Laurie Frankel
