Murphy,2020-03-30 The psychotic break occurred when I was in the vulnerable twenties for me a naive time of adventure and risks and I was devastated Only later was I to learn that psychotic episodes and hallucinations may have real world significance My own experience told me this but the view of scientific psychiatry that was drummed into me by family counselors doctors etc made me doubt Yet I knew something momentous had happened and I wanted to know what and what it meant for my life The search took me to the library the public library the university library the health sciences library and there I found books that some of them told a different story There I was to learn that the mind is more than the workings of the material brain I was to find that mental illness including psychotic episodes can be a means of personal transformation and may have spiritual significance **Memoir of G. D. Boardman, late missionary to Burmah ... With an introductory essay, by a distinguished clergyman. New ... stereotype edition** Alonzo KING,1839

Journal of a Mad Man Derrick McCaron, 2014-02-19 What is the meaning of life? The question has been asked by the brightest philosophical minds for centuries. Still to this day, answers vary greatly depending on the worldview. Solomon, the wisest king in Israel's history, set all his energies to search for the ultimate meaning of life under the sun. His conclusions may shock and surprise you: vanity, chasing after the wind, absurdity, vanishing smoke. Are these the musings of a genius or of a mad man? If you are looking for a candy-coated appraisal of life, then go ahead and put this book down. However, if you are looking for a no-frills, brutally honest, ragged-edged assessment of reality, then you have discovered an indispensable volume. In *Journal of a Mad Man*, pastor and author Derrick McCaron will carefully guide readers verse by verse through Solomon's meditations recorded in the Old Testament book of wisdom, Ecclesiastes. Not only will readers attempt to plumb the depths of some of mankind's most vexing questions, but they will also discover Solomon's secrets for wise living in a warped world.

Faces of Love, Death and Transformation Connie Marshall, 2008-05 OPEN THE DOOR TO TRANSCENDENCE In the rain forests of northern Peru, studying with shamans, a woman completes her journey of the heart. This book is the story of that journey. Great love and great loss often go hand in hand, looking for ways to cope with the immense challenges of losing a loved one and day-to-day survival. Connie Marshall established a connection to a non-ordinary reality, opening a portal to allowing her to transcend the inevitable crumbling of life structures and move to new levels of understanding. *Face of Love* is a touchingly candid memoir that takes the reader on the author's journey in search of love, self-awareness, and the discovery of past lives.

Philip Gardiner Author *Gateways to the Otherworld* Connie Marshall has courageously and wholeheartedly shown the way to a deeper examination of her life, providing insights and practices for all people on the path to self-discovery to consider.

OH Krill Author *Montauk Babies* This is an intriguing, deeply moving story full of interesting characters and plenty of serious conflicts. The characters are well developed and come alive on the page. The drama is filled with action and dialogue. The author creates good suspense through the way she presents the anecdotes, keeping the reader anticipating what is going to happen next.

Skillfully woven memories from childhood trigger similar feelings in current situations, tying everything together in a well-knit manner.

William Greenleaf Author *The Tartarus Incident* *Starjacked* *Clarion* *The Pandora Stone* and *Time Jumper* When a memoir manages to empower its readers, it's a sign of a tale well told. Connie Marshall's book is utterly original and vibrantly erotic; it's a time-traveling memoir tracing a woman's past and present life stories with mysterious dignity. This book chronicles the highs of true love, the lows of failed marriages, and the mixed blessings of living on this earth in human form. Marshall's mesmerizing tale vividly illustrates how life's sufferings can serve as a doorway into positive transformation, compassionate action, and ultimately peace of mind. A perfect book for

women of all ages and the men who yearn to understand them Kyle Roderick Managing Editor www.findbliss.com
