Looking Back On Schweitzer:

Looking Back on Schweitzer Jack Fowler, 1991-01-01 **The Restoration of Albert Schweitzer's Ethical Vision** Predrag Cicovacki, 2012-05-03 Argues for the continuing relevance of Albert Schweitzer's thought especially of his overarching theme of Reverence for Life *The Secret Legacy of Jesus* Jeffrey J. Bütz, 2009-12-21 Shows how the true teachings of Jesus were passed down through the centuries and shaped the vision of the Founding Fathers Reveals for the first time the hidden link that connects James the Brother of Jesus the Cathars the Knights Templar and Freemasonry Shows how the Founding Fathers used these teachings enshrined in Masonic principles to build a new nation With the success of Paul's desire to impose his vision for the Church the true teachings of Jesus as preserved by his family and disciples were forced into hiding This clandestine movement was evidenced by such early groups as the Nazarenes Ebionites and Elkesaites but is generally thought to have died out when the Church of Paul branded these groups as heretics However despite the ongoing persecution by the Roman Catholic orthodoxy this underground Jewish strain of Christianity was able to survive and resist incorporation into its more powerful rival Jeffrey Bütz author of *The Brother of Jesus and the Lost Teachings of Christianity* reveals for the first time the hidden theological link that connects James the Brother of Jesus and the Ebionites with the religion of Islam the Cathars the Knights Templar and Freemasonry In *The Secret Legacy of Jesus* Bütz demonstrates how this centuries old underground stream of Christ's original teachings remained alive and how it surfaced again in Colonial America where the Founding Fathers used Masonic principles rooted in Jewish Christian teachings to establish what they believed would be a New Jerusalem With the rise of a fundamentalist Christianity this potent spiritual vision was lost but Bütz contends it can be recovered and used to bring about the reconciliation of Christians Jews and Muslims throughout the world *Albert Schweitzer's Legacy for Education* A. Bonar, 2007-11-06 *Amen I Say to You* includes homilies for Cycles A B and C of the liturgical year and a homily for each Holy Day of Obligation within the Roman Catholic Church Each homily consists of three main points with supporting examples and illustrations These are homilies I have preached and they have been constructed with attention to verbal presentation Another homilist easily should be able to substitute or include examples from his or her own pastoral or lived experience within the conceptual structure each homily provides These homilies are not essays they include no long convoluted hard to understand sentences I try for simplicity of words and sentences for concrete language everyone can understand Feedback from posting some of the homilies on the internet has characterized the homilies as well planned with ideas placed in a logical and precise order They have been called simple personal and practical very inspired and insightful containing deep reflection and authentic Christian faith and illustrative applied and down to earth practical *The Coming Crisis* Mark
