and thematically comprehensive collection it analyzes both the sociology of Christianity and Christian approaches to sociology with attention to the Roman Catholic Orthodox and Protestant branches of Christianity An authoritative state of the art review of current research it is organized into five inter connected thematic sections considering the overlapping emergence of both the Christian religion and the social science the conceptualization of and engagement with Christianity by sociological theory the ways in which Christianity shapes and is shaped by various social institutions the manner in which Christianity resists and promotes various forms of social change and the identification diagnosis and correction of social problems by sociology and Christianity This volume is an invaluable collection for scholars and advanced students with special appeal for those working in the fields of sociology and social theory as well as religious studies and theology

**The Sociological Perspective** Michael Leming, Raymond De Vries, Brendan Furnish, 2009-10-10 Sociology and Christianity Attempting to bring sociology and Christianity together is like trying to mix oil and water Christians seem to have as little regard for sociology as sociologists generally have for Christianity However in the middle of this conflict there is a group bold enough to call themselves Christian sociologists they are not willing to be stereotyped but are seriously committed to both realms This collection of essays covers topics that are typically addressed in introductory sociology courses Written from a Christian point of view these essays are also geared for a wide range of readers from undergraduates to professional sociologists who bring faith commitments to the sociological task The editors goal is to provide an understanding of societal forces that is informed by a

Christian conscience Toward that end certain recurring themes are found in this book the need for informed Christian social action the conflict between the individual and the community the conflict between freedom and determinism and the significance of social sin     *The Prophets as Preachers* Gary V. Anderson,2013-10-04 What is the relationship between the gospel and the church s responsibility toward the poor Can social action be evangelism Wasted Evangelism is an exploration in the Gospel of Mark on the subject of evangelism and social action A proclamation centered definition of evangelism based on the etymology of the word evangelize and a few isolated proof texts is devoid of much of the biblical content that Mark offers to us through his Gospel detaching the concept of evangelism from the narrative meaning that Mark gives to the gospel of Jesus Christ In Wasted Evangelism Chip Anderson develops an exegetically based narrative understanding of biblical evangelism which according to Mark s Gospel includes God s care for the economically vulnerable and his concern for the issues of poverty The studies gathered in this volume propose that social action should not be considered a separate distinct responsibility for the church but is rather a vital component of evangelism A close examination of Mark s Gospel and the biblical texts associated with idolatry poverty and justice provides an opportunity for church leadership to rethink the evangelistic activities of their churches and to reconsider what it means to engage their surrounding communities as agents of God s kingdom     [The Social Context of Pastoral Care](#) George M. Furniss,1994-01-01 Because their work focuses primarily on the fields of theology and psychology pastoral caregivers have often neglected to take into account the social forces that affect both the careseeker and the caregiver In this groundbreaking book sociologist and chaplain George Furniss introduces them to a third discipline sociology to draw upon in their work Furniss offers an introduction to sociological approaches that are particularly relevant to those in the field Brief biographical notes about key figures in sociology and a glossary of terms are supplied to assist those who lack extensive background in sociology     [NIVAC Bundle 5: Minor Prophets](#) Gary V.
