The London Journal: and Weekly Record of Literature, Science, and Art ,1878 *The Art Teacher's Guide to Exploring Art and Design in the Community* Ilona Szekely, 2021-09-09 How can community art build connection in diverse communities Where is the art in contemporary libraries How do you bring subway art into the classroom Drawing on an abundance of examples from Finland Italy New Zealand Spain and the USA including the NYC 2nd Ave Subway the Detroit s Heidelberg Project the Favel Painting Foundation and bicycle rack sculpture Szekely inspires readers to look beyond the classroom walls to develop meaningful art experiences for students She shows the myriad art forms media expressions and design professions that have the influence and potential to shape the local environment reaching far beyond the traditional museum and gallery venue Underpinned by a clear philosophical foundation the field tested approaches show readers how to go beyond the study of reproductions or dwelling on of the masters who are framed in art museums instead having meaningful art experiences using everyday objects and diverse collective experiences She also shows that innovative and exciting art lessons don t need large amounts of funding transportation or even a museum within the local community Each chapter includes photographs talking points and key lesson ideas along with links to further resources

The Museum Effect Jeffrey K. Smith, 2014-05-29 Museums libraries and cultural institutions provide opportunities for people to understand and celebrate who they are were and might be These institutions educate the public and civilize society in a variety of ways ranging from community events to a single child making a first visit The Museum Effect documents this phenomenon explains how it happens and shows how institutions can facilitate this process Cultural institutions vary dramatically in size nature and purpose but they all allow visitors to hold conversations with artists and authors perhaps long dead These conversations sometimes with others present and sometimes with artists scientists explorers or authors not present allow visitors to explore their lives and their possible selves Cultural institutions inspire personal reflection and help visitors better themselves in that they leave having contemplated what is

noble excellent or exemplary about the society in which they live The museum effect is a process through which cultural institutions educate and civilize us as individuals and as societies These institutions allow visitors to spend some time with their thoughts elevated and leave the institution better people in some meaningful fashion than when they entered This visionary book presents the underlying idea and the argument for the museum effect along with empirical research supporting that argument It will help those working in museums libraries and archivists to facilitate this process and study how this is working in their own institutions
