Looking Back A Living Testimony:

Looking Back Cecelia T. Robinson, 2003 Mark 5 19 says Jesus instructs a man for whom he has worked a miracle to go home to friends and tell them what great things the Lord has done for us My inspiration behind this book is The Lord says it is our responsibility as Christians to go out and tell others what God has done God is blessed by testimonies of his people who tell others of his Love and willingness to answer our prayers By the grace of God I know what the Lord has done and brought me from This book is about FAITH I ve been through times of doubt and confusion I ve had my back against the wall but now I know that when the valleys and the storms come I ll handle them even better than before The word of God is able to heal our wounds This book contains pieces of my life its ups and downs its pain and its glory its endless storms and its countless blessings I hope my testimonies will lead people toward God s love and faith

The Cycle of Eternal Life Adriano Leonel ,2025-08-13 The Cycle of Eternal Life Have you ever stopped to wonder if you re truly living or just surviving There is a cycle Invisible to the eye but it revolves uninterruptedly between birth sin redemption and eternity The Cycle of Eternal Life is more than a book it is an urgent call to conscience to the soul to the spirit In this impactful book you will be confronted with profound truths about humanity s eternal destiny On every page a mirror is placed before your eyes What is the meaning of your life Where are you going What stage of the cycle are you in now Written with intensity passion and a commitment to truth this book spares no words in denouncing the deception that many live by It doesn t soften the reality of hell It doesn t hide the indescribable brilliance of Heaven It doesn t silence God s incomparable love for every soul You will reflect on the true terror of hell You will see the beauty of eternal life with the Father You will understand divine justice and the love that still cries out for you You will be faced with the greatest decision of your life to accept or reject salvation There is no middle ground There are no excuses There is no more time to waste If you love someone share this book If you are still breathing read every line as if it were your last chance to begin again If you want eternal answers the Holy Spirit can use it to speak directly to you The Cycle of Eternal Life is a book for those who have the courage to face eternity head on For those who understand that life does not end in the grave For those who desire to break the cycle of sin and live in the center of God s will The question that echoes until the last page is simple and direct Are you ready

Broken/Sharpened/Blessed M. E. Matthews, 2010-01-19 A little about me I am just an ordinary woman who did an extraordinary thing I accepted Jesus Christ as my personal Savior in 1986 I am a woman who has had the opportunity to sit back and think of all the times God has blessed me and sent angels to intercede guide and protect me I am a very quiet person and a bit shy and only shared my stories with a few of my closet friends But always with my daughter I had no one else there with me through these trials and dilemmas just my daughter and years later my son which are what I know now as my testimonies trials and triumphs The Congregational magazine [formerly The London Christian instructor], 1830

Wishing for the Day Chris Thomas, 2009-10-15 Life does not always go according to plan Wishing for the Day uses Biblical teachings and personal

experiences to help us see that hope can be found in the hopeless situations that we seem to face and to see that there is a purpose when God allows those storms to come in our life **My First Steps in the Ministry** Leverna Williams,2008-09-28 Today there are so many distractions that turn us away from what we are called to do We willingly indulge in the pleasures of life instead of following the perfect plan that God already has for each of our lives If we look honestly at our own lives we will see that we are turning to so many different things and people to help solve the problems we face in life My First Steps in the Ministry looks into the life of an ordinary man to see how one can choose to answer the greatest call in life doing the work of the Lord By submitting your plans and will to the will of God one will come to realize that the only way to make it through the vicissitudes of life is to go the way that is ordered by Jesus Christ our Lord My First Steps in the Ministry shares with all how to step into their destiny through experiences that will help them find their way to a fulfilled life with Christ Isn't it time you let go of your past and let God walk you into your future Psalm 51 10 12 Just realize that it's not too late to turn your life around

Stuckey,2025-08-19 Since it was published in 1776 the Declaration of Independence has been used to advocate for social justice and to maintain inequitable social hierarchies it has served as a model for justifying revolutions in other nations and for the Confederacy s secession from the US federal government But as we approach its 250th anniversary this book asks Does the Declaration still matter In this volume leading scholars explore how this remarkably pliable document has been used for progressive and regressive politics alike and track its impact on independence movements across the globe The essays begin with the Declaration s immediate reception and masculine style of prose and then move on to its central role in interpreting civic action between state and federal governments most notably secession in the Antebellum era questions of sovereignty between Indigenous nations in the United States and the United States relationship with Latin America The next section focuses on the ways the Declaration was called upon to urge imperative moral action especially in terms of human rights in the US Civil Rights Movement and the Velvet Revolution in Czechoslovakia and in contrast how it was cast aside in the Syrian Revolution The final section teases out the tension between the needs reflected in the original document and the needs of the contemporary political world Used Abused and Sidelined demonstrates how this foundational document prepares us to tolerate and to resist and it points to how we might leverage the Declaration to create a different kind of political future
