Looking Back, Moving on David Rogers, Janice Rubin, 2000-07 David Rogers has a specific point of view and he lets it all out in a new extremely enjoyable book of three marvelous long short stories Stories by an Atheist Here are paragraphs from each Sunday Morning There was a pond behind the house they rented a good distance off for some legs In the evenings sometimes while Julia was busy in the kitchen getting supper Jay and the boys walked down to the pond Jay to stand on the dock and watch while the boys lay on their stomachs and peered between the planks The pond was alive with sunnies that rushed at everything that fell into the water especially breadcrumbs Some had white edges on their fins and fringes on their tails and they were the best kind The other kind smaller darker and quicker got most of the bread Once a little painted turtle appeared and paddled around and around chasing all the fishes and though shouted at and spat upon wouldn't go away Seventeen You saw her didn't you said Gus What more do you want What's she hanging around here for If it wasn't raining she'd be out of the road thumbing for Chrisake She's got to get to town absolutely has to get to town some big deal with her girl friend If she don't get there she'll die Go home and get your car and come back and tell her you'll take her anywhere she wants to go and you know what you do you take her out in the woods and tell her either she fucks or she walks and what do you bet she fucks I couldn't do that said Herby He was shocked She's only a kid He was only a kid himself The Funeral Emily and Micky Christine were among the last to reach the celebrity The priest pushed through the crowd as they approached put his arms around them kissed them both on the lips Everett noted and sorrowfully shook his head Everett was brought forward and introduced an introduction he would rather have avoided were it possible The priest shook his hand patted his arm and said it was good to see him He told the girls he had known their father for years more years than he cared to remember and had known their mother as well a lovely woman It had hit him hard her passing and now here it was old Jim's turn not an old man by any means and did they know what had taken him On learning that no one seemed to know he said the doctors might be good people but they didn't know as much as they thought they did They had lost a good man in Jim Turner but it looked as if they had found another He said this with a roguish glance at Everett who flushed with pleasure in spite of himself and felt a damned fool for so doing Four Lives Janice Rubin, Honey Hilzen, Peggy O'Hea, Theda von Schultz Bray, 2001-11-14 Why are some people able to survive unpropitious beginnings thrive and even excel while others in equivalent circumstances cannot The four women whose memoirs make up this volume met several years ago in an autobiography workshop Despite

early years that included physical emotional and sexual abuse deaths and abandonments and the terror of living in a country at war they remained sufficiently self possessed and determined to go on to live productive lives often giving back more than they had received How did they manage to do it Was Thedas loving family her protective shield Was Honeys willingness to accept help and learn from others her salvation Did Peggys brightness charm and independence give her the confidence to take on the world Was Janices determination to matter her incentive This book offers no answers but there are enough clues in each of the four stories on which to base reasonable conjectures **Matters of the Heart** Jacinta Nampijinpa

Memoir Wendy Reed,2013-01-01 In this collection of deliberately fragmented essays a talented documentary filmmaker points the lens at herself and explores a succession of personal tragedies Told from unusual perspectives and in highly figurative language the essays draw on the Southern Gothic tradition of Flannery O Connor and feature dark humor flawed people disastrous events and moments of spiritual grace Taken together they become a meditation on subjects such as death work family responsibilities and raising a child **Into the Sun** Neil Volz,2011-11-22 Into the Sun puts a human face on the

business of American politics It also makes you rethink what you believe about Washington When Neil Volz moved from small town Ohio to Capitol Hill he was a young idealistic college student Twelve years later he was a high profile symbol of Washington corruption A former lobbyist and public official Volz paints a vivid and disturbing picture of his rise and fall He ushers the reader in to the clandestine world of congressional deal making and special interest lobbying all the while telling of his journey down the slippery slope of personal corruption The book describes first hand what it was like to be a target of a Justice Department investigation as well as a government witness during the worst political corruption scandal since Watergate The author outlines important life lessons he learned from the experience And raises fundamental questions about the role of money of politics How do people become corrupt Is it an individual failure Or the result of a failed political system While Into the Sun is a personal story about hope failure and faith it also a larger story about how Washington works and

how it doesn't *A Look Back in Time: Memoir of a Military Kid in the 50s* Bernard N. Lee, Jr., 2017-12-19 *A Look Back in Time: Memoir of a Military Kid in the 50s Vol II* is a 2020 International Best Book Awards Finalist. Goodson, United States Army Retired. *A Look Back in Time* finds our military kid living in Deutschland while attending an American middle school and high school. His adventures with the German and American young adults are rich in history, suspense, and surprises. You will enjoy the stories of this well-traveled military kid as he navigates his early teen years in Germany during the fifties. We follow this young adult as he learns to speak German, spreken sie deutsch, ice skate with the local teens, learn to play the guitar, jam with a local band, and explore the fascinating beauty of the Black Forest. These are adventures he will cherish for the rest of his life. You are invited to share them in *A Look Back in Time*. Author Bernard N. Lee Jr. **The Forgotten Girls** Monica Potts, 2024-04-30 NEW YORK TIMES BESTSELLER. An acclaimed journalist tries to understand how she escaped her small town in Arkansas while her brilliant friend could not, and in the process illuminates the unemployment, drug abuse, sexism, and evangelicalism killing poor rural white women all over America. A clear-eyed and tender debut. This book is as much the author's story as a piece of reportage. *The Wall Street Journal*: Growing up gifted and working class poor in the foothills of the Ozarks, Monica and Darci became fast friends. The girls bonded over a shared love of reading and learning, even as they navigated the challenges of their tumultuous family lives and declining town: broken marriages, alcohol abuse, and shuttered stores and factories. They pored over the giant map in their middle school classroom, tracing their fingers over the world that awaited them, vowing to escape. In the end, Monica left Clinton for college and fulfilled her dreams, but Darci, along with many in their circle of friends, did not. Years later, working as a journalist covering poverty, Potts discovered what she already intuitively knew about the women in Arkansas: Their life expectancy had dropped steeply, the sharpest such fall in a century. This decline has been attributed to deaths of despair, suicide, alcoholism, and drug overdoses, but Potts knew their causes were too complex to identify in a sociological study. She had grown up with these women, and when she saw Darci again, she found that her childhood friend, addicted to drugs, often homeless, a single mother, was now on track to becoming a statistic. In this gripping narrative, Potts deftly pinpoints the choices that sent her and Darci on such different paths and then widens the lens to explain why those choices are so limited. *The Forgotten Girls* is a profound, compassionate look at a population in trouble and a uniquely personal account of the way larger forces such as inheritance, education, religion, and politics shape individual lives. **Together, Alone** Susan Wittig Albert, 2010-03-01 What does it mean to belong to a place, to be truly rooted and grounded in the place you call home? How do you commit to a marriage, to a full

partnership with another person and still maintain your own separate identity These questions have been central to Susan Wittig Albert's life and in this beautifully written memoir she movingly describes how she has experienced place marriage and aloneness while creating a home in the Texas Hill Country with her husband and writing partner Bill Albert Together Alone opens in 1985 as Albert leaves a successful if rootless career as a university administrator and begins a new life as a freelance writer wife and homesteader on a patch of rural land northwest of Austin She vividly describes the work of creating a home at Meadow Knoll a place in which she and Bill raised their own food and animals while working together and separately on writing projects Once her sense of home and partnership was firmly established Albert recalls how she had to find its counterbalance a place where she could be alone and explore those parts of the self that only emerge in solitude For her this place was Lebh Shomea a silent monastic retreat In writing about her time at Lebh Shomea Albert reveals the deep satisfaction she finds in belonging to a community of people who have chosen to be apart and experience silence and solitude
