DeLaine doesn't trust them. The main reason she is happy to come home is to see Kevin Strong and love him from afar. If Geoffrey weren't so crazy jealous of her and Kevin being together, DeLaine thinks her world might be as close to perfect as possible. Perfection would be a real relationship with the most beautiful boy in the world. He provides strength and stability but mostly a feeling of love and protectiveness that DeLaine craves. The problem is that he is the King of Milam Junior High and she's only a lowly peasant, albeit not on the lowest rung in the social hierarchy. She is happy this January because she has a new best friend who shouldn't really care about her but because of the tornado, DeLaine has been tossed into the stratosphere of the beautiful Bailey Rains. She and Bailey find themselves getting closer as they walk home from Samson High School every day and Bailey takes a genuine interest in helping DeLaine find her voice and realize her beauty. Find out what new adventures wait for DeLaine in the last half of 7th grade. See what new things she finds out about friendship, love, sex, loss, and grace.

Preaching Jason C. Meyer, 2013-10-31 The sermon is under attack. Many churches are increasingly forsaking formal preaching in favor of substitutes like dialogue, discussion, and sharing. In response to this recent trend, Jason Meyer has written a robust biblical and practical theology of preaching where he explores how the concept of preaching develops throughout the Bible and how it impacts one's understanding of other key doctrines. In addition to offering readers a comprehensive overview of the Bible's teaching, the book sets forth clear, accessible answers to commonly raised questions about preaching: what is it, how is it done, and why is it so important. Combining in-depth study of God's word with practical reflection on the place of preaching in the ministry of the church, Meyer challenges readers to reexamine the importance of preaching for the Christian life.

Sports Plays Eero Laine, Broderick Chow, 2021-08-19 Sports Plays is a volume about sports in the theatre and what it means to stage sports. The chapters in this volume examine sports plays through a range of critical and theoretical approaches that highlight central concerns and questions both for sports and for theatre. The plays cut across boundaries and genres from Broadway style musicals to dramas to experimental and developmental work. The chapters examine and trouble the conventions of staging sports as they open possibilities for considering larger social and cultural issues and debates. This broad range of perspectives make the volume a compelling resource for students and scholars of sport theatre and performance studies whose interests span feminism, sexuality, politics, and race.
