Cultures Kyle Barnett,2021-07-26 Tracing the cultural technological and economic shifts that shaped the transformation of the recording industry **The Original Guitar Hero and the Power of Music** Dean Alger,2014-04-15 Lonnie Johnson 1894 1970 was a virtuoso guitarist who influenced generations of musicians from Django Reinhardt to Eric Clapton to Bill Wyman and especially B B King Born in New Orleans he began playing violin and guitar in his father s band at an early age When most of his family was wiped out by the 1918 flu epidemic he and his surviving brother moved to St Louis where he won a blues contest that included a recording contract His career was launched Johnson can be heard on many Duke Ellington and Louis Armstrong records including the latter s famous Savoy Blues with the Hot Five He is perhaps best known for his 12 string guitar solos and his ground breaking recordings with the white guitarist Eddie Lang in the late 1920s After

World War II he began playing rhythm and blues and continued to record and tour until his death This is the first full length work on Johnson Dean Alger answers many biographical mysteries including how many members of Johnson s large family were left after the epidemic It also places Johnson and his musical contemporaries in the context of American race relations and argues for the importance of music in the fight for civil rights Finally Alger analyzes Johnson s major recordings in terms of technique and style Distribution of an accompanying music CD will be coordinated with the release of this book

To Place Our Deeds Shirley Ann Wilson Moore,2023-09-01 To Place Our Deeds traces the development of the African American community in Richmond California a city on the San Francisco Bay This readable extremely well researched social history based on numerous oral histories newspapers and archival collections is the first to examine the historical development of one black working class community over a fifty year period Offering a gritty and engaging view of daily life in Richmond Shirley Ann Wilson Moore examines the process and effect of migration the rise of a black urban industrial workforce and the dynamics of community development She describes the culture that migrants brought with them including music food religion and sports and shows how these traditions were adapted to new circumstances Working class African Americans in Richmond used their cultural venues especially the city s legendary blues clubs as staging grounds from which to challenge the racial status quo with a steadfast determination not to be Jim Crowed in the Golden State As this important work shows working class African Americans often stood at the forefront of the struggle for equality and were linked to larger political social and cultural currents that transformed the nation in the postwar period To Place Our Deeds traces the development of the African American community in Richmond California a city on the San Francisco Bay This readable extremely well researched social history based on numerous oral histories newspapers and archiva

[A Supreme Love](#) William Edgar,2022-07-26 Theologian and jazz pianist William Edgar places jazz within the context of the African American experience and explores the work of musicians like Miles Davis and Ella Fitzgerald arguing that jazz which moves from deep lament to inextinguishable joy deeply resonates with the hope that is ultimately found in the good news of Jesus Christ

Scott, 2010-10-01 As one of the first African American vocalists to be recorded Bessie Smith is a prominent figure in American popular culture and African American history Michelle R Scott uses Smith's life as a lens to investigate broad issues in history including industrialization Southern rural to urban migration black community development in the post emancipation era and black working class gender conventions Arguing that the rise of blues culture and the success of female blues artists like Bessie Smith are connected to the rapid migration and industrialization in the late nineteenth and early twentieth centuries Scott focuses her analysis on Chattanooga Tennessee the large industrial and transportation center where Smith was born This study explores how the expansion of the Southern railroads and the development of iron foundries steel mills and sawmills created vast employment opportunities in the postbellum era Chronicling the growth and development of the African American Chattanooga community Scott examines the Smith family's migration to Chattanooga and the popular music of black Chattanooga during the first decade of the twentieth century and culminates by delving into Smith's early years on the vaudeville circuit Franchising Dreams Peter M. Birkeland, 2004-04 Franchises have become an ever present feature of American life both in our landscapes and our economics Peter M Birkeland worked for three years in the front line operations of franchise units for three companies met with CEOs and executives and attended countless trade shows seminars and expositions Through this extensive fieldwork Birkeland not only discovered what makes franchisees succeed or fail he uncovered the difficulties in running a business according to someone else's system and values Bearing witness to a market flooded with fierce competitors and dependent on the inscrutable whims of consumers he revealed the numerous challenges that franchisees face in making their businesses succeed Book jacket *The Roots of Western Swing* John L. Clark, Jr., 2023-09-29 This book details the early history of what came to be known as Western swing a hybrid of country jazz blues and cowboy music that reached its peak popularity in the 1940's In the 1930's the emphasis was firmly on the jazz elements Most early bands such as the Light Crust Doughboys Milton Brown and His Brownies and Bob Wills and His Texas Playboys recognized the influence of African American and white jazz players of the 1920's and 1930's and featured musicians who self identified as jazz musicians and foregrounded elements such as improvisation blues expression and repertoire from the tradition Many of these players incorporated these elements and developed an original style that was eventually absorbed into Western swing **Encyclopedia of the Blues** Gérard Herzhaft, 1992-01-01 The popular Encyclopedia of the Blues first published by the University of Arkansas Press in 1992 and reprinted six times has become an

indispensable reference source for all involved with or intrigued by the music The work alphabetizes hundreds of biographical entries presenting detailed examinations of the performers and of the instruments trends recordings and producers who have created and popularized this truly American art form **Linthead Stomp** Patrick Huber,2008-10-20 Contrary to popular belief the roots of American country music do not lie solely on southern farms or in mountain hollows Rather much of this music recorded before World War II emerged from the bustling cities and towns of the Piedmont South No group contributed more to the commercialization of early country music than southern factory workers In Linthead Stomp Patrick Huber explores the origins and development of this music in the Piedmont s mill villages Huber offers vivid portraits of a colorful cast of Piedmont millhand musicians including Fiddlin John Carson Charlie Poole Dave McCarn and the Dixon Brothers and considers the impact that urban living industrial work and mass culture had on their lives and music Drawing on a broad range of sources including rare 78 rpm recordings and unpublished interviews Huber reveals how the country music recorded between 1922 and 1942 was just as modern as the jazz music of the same era Linthead Stomp celebrates the Piedmont millhand fiddlers guitarists and banjo pickers who combined the collective memories of the rural countryside with the upheavals of urban industrial life to create a distinctive American music that spoke to the changing realities of the twentieth century South **Cultures in Babylon** Hazel V. Carby,2024-03-12 For a decade and a half since she first appeared in the Birmingham Centre s collective volume The Empire Strikes Back Hazel Carby has been on the frontline of the debate over multicultural education in Britain and the US This book brings together her most important and influential essays ranging over such topics as the necessity for racially diverse school curricula the construction of literary canons Zora Neale Hurston s portraits of the Folk C L R James and Trinidadian nationalism and black women blues artists and the necessity for racially diverse school curricula Carby s analyses of diverse aspects of contemporary culture are invariably sharp and provocative her political insights shrewd and often against the grain A powerful intervention Culture in Babylon will become a standard reference point in future debates over race ethnicity and gender **Music and the Racial Imagination** Ronald M. Radano,Philip V. Bohlman,2000-12 A specter lurks in the house of music and it goes by the name of race write Ronald Radano and Philip Bohlman in their introduction Yet the intimate relationship between race and music has rarely been examined by contemporary scholars most of whom have abandoned it for the more enlightened notions of ethnicity and culture Here a distinguished group of contributors confront the issue head on Representing an unusually broad range of academic disciplines and geographic regions they critically examine how the imagination of race has influenced musical production reception and scholarly analysis even as they reject the objectivity of the concept itself Each essay follows the lead of the substantial introduction which reviews the history of race in European and American non Western and global musics placing it within the contexts of the colonial experience and the more recent formation of world music Offering a bold new revisionist agenda for musicology in a postmodern postcolonial world this book will appeal to students of culture and

race across the humanities and social sciences **Georgia Women** Kathleen Ann Clark, Ann Short Chirhart, 2014-07-15
 Women were leading actors in twentieth century developments in Georgia yet most histories minimize their contributions
 The essays in the second volume of *Georgia Women* edited by Ann Short Chirhart and Kathleen Ann Clark vividly portray a
 wide array of Georgia women who played an important role in the state's history from little known Progressive Era activists
 to famous present day figures such as Pulitzer Prize winning author Alice Walker and former First Lady Rosalynn Carter
 Georgia women were instrumental to state and national politics even before they achieved suffrage and as essays on Lillian
 Smith Frances Pauley Coretta Scott King and others demonstrate they played a key role in twentieth century struggles over
 civil rights gender equality and the proper size and reach of government Georgia women's contributions have been wide
 ranging in the arena of arts and culture and include the works of renowned blues singer Gertrude Ma Rainey and such
 nationally prominent literary figures as Margaret Mitchell Carson McCullers and Flannery O'Connor as well as Walker While
 many of the volume's essays take a fresh look at relatively well known figures readers will also have the opportunity to
 discover women who were vital to Georgia's history yet remain relatively obscure today such as Atlanta educator and activist
 Lugenia Burns Hope World War II aviator Hazel Raines entrepreneur and carpet manufacturer Catherine Evans Whitener
 and rural activist and author Vara A Majette Collectively the life stories portrayed in this volume deepen our understanding
 of the multifaceted history of not only Georgia women but also the state itself **Encyclopedia of Black Studies** Molefi
 Kete Asante, Ama Mazama, 2005 In the 1960s Black Studies emerged as both an academic field and a radical new ideological
 paradigm Editors Molefi Kete Asante and Ama Mazama Black Studies Temple U both influential and renowned scholars have
 compiled an encyclopedia for students high school and beyond and general readers It presents analysis of key individuals
 events a *"Who Set You Flowin'?"* Farah Jasmine Griffin, 1996-09-26 Twentieth century America has witnessed the most
 widespread and sustained movement of African Americans from the South to urban centers in the North *Who Set You Flowin'*
 examines the impact of this dislocation and urbanization identifying the resulting Migration Narratives as a major genre in
 African American cultural production Griffin takes an interdisciplinary approach with readings of several literary texts
 migrant correspondence painting photography rap music blues and rhythm and blues From these various sources Griffin
 isolates the tropes of Ancestor Stranger and Safe Space which though common to all Migration Narratives vary in their
 portrayal She argues that the emergence of a dominant portrayal of these tropes is the product of the historical and political
 moment often challenged by alternative portrayals in other texts or artistic forms as well as intra textually Richard Wright's
 bleak yet cosmopolitan portraits were countered by Dorothy West's longing for Black Southern communities Ralph Ellison
 while continuing Wright's vision reexamined the significance of Black Southern culture Griffin concludes with Toni Morrison
 embracing the South as a site of African American history and culture a place to be redeemed *Encyclopedia of African
