Brownsmith (pseud),1868 A Hanging in Nacogdoches Gary B. Borders,2010-01-01 This historical study examines a legal lynching in 1902 Texas shedding light on race relations political culture and economic conditions of the time On October 17 1902 in Nacogdoches Texas a black man named James Buchanan was tried without representation condemned and executed for the murder of a white family all within three hours Two white men played pivotal roles in these events the editor of the Nacogdoches Sentinel Bill Haltom a prominent Democrat who condemned lynching but defended lynch mobs and A J Spradley a Populist sheriff who managed to keep the mob from burning Buchanan alive only to escort him to the gallows Each man s story illuminates part of the path toward the terrible parody of justice at the heart of A Hanging in Nacogdoches The turn of the twentieth century was a time of dramatic change for the people of East Texas Frightened by the Populist Party s attempts to unite poor blacks and whites in a struggle for economic justice white Democrats defended their power base by exploiting racial tensions in a battle that ultimately resulted in complete disenfranchisement for the black population In telling the story of a single lynching Gary Borders dramatically illustrates the way politics and race combined to bring horrific violence to small southern towns like Nacogdoches **A Digest of the Reported Cases Adjudged in the Several Courts Held in Pennsylvania; Together with Some Manuscript Cases. John Sparks,2005-12-23 Lexington Kentucky has the honor of being the birthplace of one of the first genuinely homegrown American Christian faiths the Disciples of Christ Established in 1832 by the union of two Christian groups led by Alexander Campbell and Barton W Stone their descendent churches are now referred to by religious scholars as the Stone Campbell movement In the state s best tradition this historic movement soon acquired its own larger than life legend Raccoon John Smith the flamboyant frontier preacher of the southern Kentucky mountains Smith moved to the lowland Bluegrass and braved considerable odds to preach and establish the self described pure nondenominational Christianity of Stone and

Campbell throughout the state and beyond The 1832 union of Stone and Campbell s churches was in fact formalized not by Stone and Campbell but by Stone together with Smith who represented Campbell s constituency in Kentucky Raccoon John Smith occupies a well deserved place both in Kentucky and Stone Campbell history All previous biographical studies have been colored by the religious faith he embraced and the legends that evolved around him however rather than giving an accurate account of Smith s life In Raccoon John Smith Elder John Sparks fills this void in the literature about Smith using historical sources to present a faithful portrait of a seminal frontier preacher and colorful figure in early Kentucky history
