Lord Do You Love Me With Cassette:

Daddy Do You Love Me? Ariel Allison, Shelby Rawson, 2006-08-01 The United States is the world's leader in fatherless families. Marginalized by society into a distant and unemotional role as the family's bread winner, we are only now beginning to understand the devastating effect of emotionally distant fathers on their daughters' health and well-being and for some even on their spirituality. Millions of women have suffered physical and emotional scars due to absent fathers and have experienced the painful void not having this vital connection. Both authors write from personal experience overcoming emotionally distant fathers, offering practical solutions and hope for healing this emotional and spiritual rift. From how to forgive an abusive father, coping with loneliness to nurturing healthy relationships and much more, this book is a tremendously empowering and enriching journey for women out of sadness and pain, breaking a legacy of loneliness and regret to a renewed hope for their lives. Included are chapter questions, pages for journaling, and a list of counseling resources.

The Laws of Attraction Michael Ross, 2013-05 If I asked you to create a list of everything in life that you love, where would you place your soul? Is it at the top, bottom, somewhere in the middle, or no entry at all? Do you know who you really are or how to properly use your gifts and talents? Are you going to give your soul what it craves or just choose to satisfy your natural appetite? Deep inside of you resides a person that hungers for something more than this life can ever give. Every day we make choices, and today I want to extend this invitation to all of you that are currently seeking a new direction in your life. Join me as we discover the path to your purpose because your destiny isn't lost; it's just waiting for you to unlock the door. Make this manual your choice and allow its pages to inspire you. My book works from the premise: What the eyes see, the mind considers; What the mind considers, the heart accepts; What the heart accepts, the body does. *Catalog of Copyright Entries*
