Lord Hailsham A Life:

Lord Hailsham Geoffrey Lewis,1997 This is the official life of one of the most powerful and controversial Tory politicians of the post war era a man whose career has spanned British politics and law from the 1930s to the present Its publication coincides with his 90th birthday

Lord Hailsham Geoffrey M. Lewis,1916-07-25 This is the authorized life of one of the most powerful and controversial Tory politicians of the post war era Lord Hailsham statesman orator writer Christian and patriot had earned Mrs Thatcher s tribute when he finally retired in 1987 that there were few people in public life who had provided such service to his country over a span of forty years As Quintin Hogg Hailsham started his public career in the famous Oxford by election of 1938 He joined the government just before the Suez crisis in 1956 and remained a strong presence in every Tory government until his retirement holding a variety of important posts including Party Chairman when he famously rang the bell to toll the death of the Labour Party The extraordinary drama of the 1963 succession to Macmillan is comprehensively revealed in this book as is Hailsham s highly influential career in the law where he was Lord Chancellor for twelve years after 1970

The House of Lords 1911-2011 Chris Ballinger,2014-08-07 House of Lords reform is often characterised as unfinished business a riddle that has been left unanswered since 1911 But rarely can an unanswered riddle have had so many answers offered even though few have been accepted indeed when Viscount Cave was invited in the mid 1920s to lead a Cabinet committee on Lords reform he complained of finding the ground covered by an embarrassing mass of proposals That embarrassing mass increased throughout the twentieth century Much ink has been spilled on what should be done with the upper House of Parliament much less ink has been expended on why reform has been so difficult to achieve This book analyses in detail the principal attempts to reform the House of Lords Starting with the Parliament Act of 1911 the book examines the century of non reform that followed drawing upon substantial archival sources many of which have been under utilised until now These sources challenge many of the existing understandings of the history of House of Lords reform and the reasons for success or failure of reform attempts The book begins by arguing against the popular idea that the 1911 Act was intended by its supporters to be a temporary measure No one peers included should be allowed to pronounce about the future of the House of Lords without reading Chris Ballinger s authoritative shrewd and readable account about reform attempts over the past century He punctures several widely held myths and claims in the current debate Rt Hon Peter Riddell CBE Director Institute for Government and former Hansard Society chair This is at once an impeccably researched academic study and a thoroughly readable account loaded with lessons for today s would be Lords reformers Lord David Lipsey

The Official History of Criminal Justice in England and Wales Paul Rock,2019-04-30 Volume II of The Official History of Criminal Justice in England and Wales traces for the first time the genesis and early evolution of two principal institutions in the criminal justice system the Crown Court and the Crown Prosecution Service This volume examines the origins and shaping of two critical institutions the Crown Court which rose from the ashes of the Courts of Assize and

Quarter Sessions and the Crown Prosecution Service which replaced a rather haphazard system of police prosecuting solicitors. The 1971 Courts Act and the 1985 Prosecution of Offences Act were to reconfigure the architecture of criminal justice transforming the procedures by which people were charged, prosecuted and in the weightier cases demanding a judge and jury tried in the criminal courts of England and Wales. One stemmed from a crisis in a medieval system of travelling justices that tried people in the wrong places and for inadequate lengths of time. The other was precipitated by a scandal in which three men were wrongly convicted for the murder of a bisexual prostitute. Theirs is an as yet untold history that can be explored in depth because it is recent enough in the words of Harold Wilson to have been written while the official records could still be supplemented by reference to the personal recollections of the public men who were involved. This book will be of much interest to students of criminology and British history, politics and law.

Conservative thinkers Mark Garnett, Kevin Hickson, 2013-07-19. This book outlines and evaluates the political thought of the Conservative Party through a detailed examination of its principal thinkers from Harold Macmillan to the present. Traditionally the Conservative Party has been regarded as a vote gathering machine rather than a vehicle for ideas. This book redresses the balance through a series of biographical essays examining the thought of those who have contributed most to the development of ideas within the party. The chapters benefit from archival research and interviews with leading Conservatives. The recent revival of Conservative fortunes makes the book particularly timely. The book begins with an introductory chapter explaining the role of ideology in the Conservative Party. It then traces the political thought of the Conservative Party through its principal theorists since the 1930s. These are Harold Macmillan, R A Butler, Quintin Hogg, Enoch Powell, Angus Maude, Keith Joseph, the traditionalists Maurice Cowling, T E Peter, Utley, Peregrine Worsthorne, Shirley Letwin and Roger Scruton, Ian Gilmour, John Redwood and David Willetts. The book concludes with an overall assessment of the political thought of the Conservative Party and the relevance of past debates for contemporary Conservatism. The book will be of considerable interest to academics and non academics alike for those who have a special interest in the Conservative Party but also for any student of contemporary British Politics.

The English Legal System Alisdair Gillespie, Siobhan Weare, 2017. The English Legal System combines comprehensive and thorough coverage of the main topics covered on English legal system courses with a lively and engaging style to capture students' attention and provide them with a firm foundation for their study of law. This book enables students to first understand all of the key areas of the English legal system and then to engage with the subject fully for themselves. The law is not just presented but critiqued with a range of learning features which encourage students to actively engage with contentious issues and difficult questions. Everyday examples help students to apply their knowledge of the law in a practical way while questions for reflection help students to analyse, evaluate and think critically. Aided by a clear structure arranged in five parts, students will be able to fully grasp the

processes involving in making and reforming the law The English Legal System is accompanied by a wide range of online resources to help students to take their learning further For Students Introductory podcasts an invaluable guide through the book and its features Web links provide opportunities to take learning further Activities help students to put their knowledge into practice Glossary outlining the key terms related to the English legal system Podcasts accompany the questions for reflection in the textbook For Lecturers Test bank a customizable electronic testing resource

A Guide to the Papers of British Cabinet Ministers 1900-1964 Cameron Hazlehurst, Sally Whitehead, Christine Woodland, 1996 A Guide to the Papers of British Cabinet Ministers 1900 1964 is the revised and expanded edition of a volume published by The Royal Historical Society in 1974 Up to date information on the papers of 323 ministers from the first edition is provided and its scope has increased from 323 ministers to include all Cabinet ministers until the resignation of Sir Alec Douglas Home as Prime Minister in 1964 This Guide is a major research tool and a source of information on the personal papers of British Cabinet ministers

Prime Minister Boris Duncan Brack, 2011-10-06 History resting on a hair s breadth a man dies rather than lives an election is lost rather than won one minister is appointed another dismissed a coalition is joined or not Enter a world of political counterfactuals twenty two examinations of things that never happened but could have In this book a collection of distinguished commentators including journalists academics former MPs and special advisers consider how things might have turned out differently throughout a century of political history from Lloyd George and Keynes drowning at sea in 1916 right through to Boris Johnson becoming Prime Minister in 2016 Scholarly analyses of possibilities and causalities take their place beside fictional accounts of alternate political histories and all are guaranteed to entertain and make you think

Landmark Cases in Criminal Law Philip Handler, Henry Mares, Ian Williams, 2017-05-04 Criminal cases raise difficult normative and legal questions and are often a consequence of compelling human drama In this collection expert authors place leading cases in criminal law in their historical and legal contexts highlighting their significance both in the past and for the present The cases in this volume range from the fifteenth to the twenty first century Many of them are well known to modern criminal lawyers and students others are overlooked landmarks that deserve reconsideration The essays often based on extensive and original archival research range over a wide spectrum of criminal law covering procedure and doctrine statute and common law individual offences and general principles Together the essays explore common themes including the scope of criminal law and criminalisation the role of the jury and the causes of change in criminal law

A New Homicide Act for England and Wales? Great Britain: Law Commission, 2006-04-04 This consultation paper reviews the law relating to homicide in England and Wales and sets out a number of provisional proposals in order to establish a more rational and coherent framework of legislation Issues discussed include the existing law and problems with it the definition of murder and manslaughter partial defences including provocation diminished responsibility and duress the fault element in murder and the concept of intention and the doctrine of double effect The paper proposes the creation of a

new Homicide Act to replace the Homicide Act 1957 to establish clear definitions of murder and the partial defences to it as well as defining manslaughter within a graduated system of offences the ladder principle to reflect seriousness of offence and degrees of mitigation For example the offence of murder should be divided into two categories of first degree murder with a mandatory life sentence and second degree with a discretionary life sentence maximum Responses to the consultation paper proposals should be received by 13 04 2006
