The background of the cover features several technical sketches of mechanical structures, likely related to the development of Lotus Notes. On the left, there is a detailed drawing of a complex, multi-tiered metal framework or scaffolding. On the right, there are several smaller sketches, including one of a large, curved, bowl-like structure supported by a central pole, and another of a similar structure with a different internal arrangement. The sketches are drawn in a technical, hand-drawn style with fine lines and shading.
