Everyday Creativity Kirin Narayan, 2016-11-22 Kirin Narayan's imagination was captured the very first time that as a girl visiting the Himalayas she heard Kangra women join their voices together in song. Returning as an anthropologist she became fascinated by how they spoke of singing as a form of enrichment bringing feelings of accomplishment, companionship, happiness, and even good health, all benefits of the everyday creativity she explores in this book. Part ethnography, part musical discovery, part poetry, part memoir, and part unforgettable portraits of creative individuals, this unique work brings this remote region in North India alive in sight and sound while celebrating the incredible powers of music in our lives. With rare and captivating eloquence, Narayan portrays Kangra songs about difficulties on the lives of goddesses and female saints as a path to well-being. Like the intricate geometries of mandala patterns drawn in courtyards or the subtle balance of flavors in a meal, well-crafted songs offer a variety of deeply meaningful benefits as a way of making something of value as a means of establishing a community of shared pleasure and skill as a path through hardships and limitations and as an arena of renewed possibility. *Everyday Creativity* makes big the small world of Kangra song and opens up new ways of thinking about what creativity is to us and why we are so compelled to engage it.

Return of the Believer Terry L. Burden, 2023-06-05 *Return of the Believer: Studies in the Prayer of Jesus from the Gospel of John* is a theological study of the Prayer of Jesus, specifically the Gospel of John in general and relevant topics in the Synoptic Gospel. The Prayer of Jesus contains twenty-six verses, with each verse prompting broader applications for the Christian faith. The main title, *Return of the Believer*, implies an original expression of faith in Jesus Christ by John, the writer of the Gospel. The study accepts an apologetic value to the Gospel of John as it argues the importance of true faith through the acceptance of John's interpretation of Jesus Christ. The Prayer of Jesus is a summary of John's views of Jesus. The return of the believer is a call for a renewal of faith in the New Testament, especially the Gospel of John. This study reveals the Apostle John as the true believer and model for the Christian faith, and the Prayer of Jesus provides a summary of John's teachings and the expressed will of God for the Church. Each verse is explained in the context of its surrounding verses, and important topics are addressed. The special feature of the Prayer is its prompting of related issues that appear elsewhere in the New Testament and the teachings of the Church. For example, the Prayer and the Gospel itself do not mention the birth of Jesus but instead focus on the pre-existence of the Son as the eternal Logos or God. This study requires an explanation of the difference. Discussions of each verse invite the reader to engage in contemporary related issues.

The Return of the Mother Andrew Harvey, 2013-08-20 Adapted from a series of lectures on the historical basis and current resurgence of the sacred feminine given by Andrew Harvey at the California Institute of Integral Studies in Spring 1994, *The Return of the Mother* is a profound journey into the heart of the Divine Mother. In this comprehensive and groundbreaking work, mystical scholar Andrew Harvey unearths traces of the sacred feminine in major world religions: Hinduism, Islam, Sufism, Buddhism, Taoism, and Christianity, and in aboriginal and indigenous

wisdom traditions Harvey presents a scathing critique of the patriarchal distortions in religious history and doctrine that have obscured full knowledge of the Divine Mother and shows how to reintegrate this vital aspect into the spiritual consciousness of humankind The Return of the Mother offers a radical new perspective balancing the historical overemphasis on transcendence by honoring the immanence of the divine in passionate engagement in the world Only by cultivating a direct respectful relationship with the transformative power of the sacred feminine can we alter our disastrous attitude of dissociation from nature the body sexuality and the details of human life and generate the energy and compassion needed to reverse the course of destruction we have set the planet and all of life hurtling toward In lively question and answer sections Harvey further illuminates these vital issues and takes a strong stand against our dependence on gurus and masters proposing instead an egalitarian model of spiritual community based on intimate groups of mutually supportive guides and friends The Return of the Mother is an eloquent and passionate call for all of us to rediscover and reclaim an authentic and empowering relationship to the divine and recreate a sacred life in the world

Seven Lectures on Wang Guowei's Renjian Cihua Florence Chia-Ying

Yeh, 2018-12-12 Renjian cihua is a masterpiece of literary criticism written by Wang Guowei 1877-1927 a scholar of the Chinese classics who lived during the late Qing and early Republican periods. Since its publication in 1908 and 1909 it has been one of the most influential academic works in China. Elegantly written, Wang's set of remarks on ci poetry cihua retains a traditional Chinese impressionistic critical approach and can present difficulties to the common reader. This set of lectures by Florence Chia Ying Yeh explains the text to readers, making accessible Wang's famous theory of jingjie aesthetic realm or artistic conception, his views on how the ci differs from the shi genre of Chinese poetry, and his critical judgments of various famous ci poets from the Tang, Five Dynasties, and Song periods. The lectures are presented here in an English translation by Maija Bell Samei. *Immortal Becomes a Stay-at-home Dad After Return* Shui Shan, 2020-09-09 A thousand years ago Mo Xun was accidentally swallowed by a spatial crack and entered the cultivation world. A thousand years later he came back to earth but only seven years had passed on Earth. Furthermore, his wife even gave birth to a girl who is his daughter. His wife is beautiful, the child is cute. He had wanted to stay at home and live a simple life but unexpectedly he was left with a huge amount of debts. Mo Xun sighed and had no choice but to help his wife and daughter create a land of happiness. [Return of the Emerald Skull](#) Paul Stewart, 2012-08-14 Weird and evil events at a London boarding school provide messenger Barnaby Grimes an opportunity to test his budding knowledge of the ancient Chinese art of yin-chi-do in which one focuses on silences and empty spaces. **Returning Fire** Col. James W. Booth, 2011-09-28 This book is the factual story of the development of armed helicopters in the US Army and their first employment in combat. The story is dramatically told by the courageous men who lived it, flying daily into enemy-infested areas facing murderous fire from automatic and anti-aircraft weapons. In late 1961 the US Government deployed five Transportation Helicopter Companies. H-21 lift ships to South Vietnam to increase the mobility of South Vietnamese ground forces. The Viet Cong quickly recognized that the H-21s were unarmed and began shooting at them, endangering the lives of American crewmen. A helicopter company equipped with 25 UH-1 helicopters had been cobbled together on Okinawa by the Commander US Army Pacific. Believing the company was soon to be deployed to Vietnam, the men assigned to the unit armed its helicopters by scrounging weapons systems left over from WW II and Korea stored in Army Air Force depots in Okinawa. Machine guns and 2.75 inch rockets were jury-rigged onto the UH-1s. Officially designated the Utility Tactical Helicopter Company but widely known as the UTT, the company deployed to Saigon in September 1962. After some jurisdictional squabbles with the Air Force over roles and missions, UTT began combat operations in October. It quickly became widely known for professionalism and the courage of its crew members. Such was its fame that for years South Vietnamese military personnel called all armed helicopters UTT. Unfortunately, over its years in RVN, the company endured frequent designation changes: UTT, 68th, 197th, 334th Armed Helicopter Company. Why it remains a mystery even today. The company's legacy is strong and endures today. Armed helicopters are a major component of US Army combat forces. The current Army Apache program, over 600, is a direct descendent. Additionally, the Marines and Navy have

strong armed helicopter programs as does every major military power in the world Ironically it all began with a small group of courageous men mounting scavenged weapons mostly outmoded on helicopters originally designed for medical evacuation This is their story Princess Returns Xu XuQingFeng,2020-10-17 Sister in law framing husband humiliating return with hatred He was cold blooded and cruel He killed his enemies and trampled through the clouds A soft emotion that was laced with poison A cruel ambush Lin Jinshu s red lips were like blood of course it was me Ma am your son and I are hungry
