Gennaro, Saheed Aderinto, 2019-04-01 Sports in African History Politics and Identity Formation explores how sports can render a key to unlocking complex social political economic and gendered relations across Africa and the Diaspora Sports hold significant value and have an intricate relationship with many components of African societies throughout history For many Africans sports are a way of life a site of cultural heroes a way out of poverty and social mobility and a site for leisurely play This book focuses on the many ways in which sports uniquely reflect changing cultural trends at diverse levels of African societies The contributors detail various sports such as football cricket ping pong and rugby across the continent to show how sports lay at the heart of the discourse of nationalism self fashioning gender and masculinity leisure and play challenges of underdevelopment and ideas of progress Bringing together the newest and most innovative scholarship on African sports this book will be of interest to students and scholars of contemporary Africa African history culture and society and sports history and politics *Broadcasting the End of Apartheid* Martha Evans, 2014-07-15 South Africa came late to television when it finally arrived in the late 1970s the rest of the world had already begun to boycott the country because of apartheid While the ruling National Party feared the integrative effects of television they did not foresee how exclusion from globally unifying broadcasts would gradually erode their power South Africa was barred from participating in some of television's greatest global attractions including sporting events such as the Olympics and contests such as Miss World With the release of Nelson Mandela from prison came a proliferation of large scale live broadcasts as the country was permitted to return to international competition and its readmittance was played out on television screens across the world These events were pivotal in shaping and consolidating the country's emerging post

apartheid national identity Broadcasting the End of Apartheid assesses the socio political effects of live broadcasting on South Africa s transition to democracy Martha Evans argues that just as print media had a powerful influence on the development of Afrikaner nationalism so the liveness of television helped to consolidate the post apartheid South African national identity *Beer, Sociability, and Masculinity in South Africa* Anne Kelk Mager,2010 Beer connects commercial social and political history in this sobering look at the culture of drinking in South Africa Beginning where stories of colonial liquor control Mager looks at the current commerce of beer its valorizing of male sociability and sports and the corporate culture of South African Breweries **Sport in Museums** Kevin Moore,John Hughson,Christian Wacker,2022-06-24 This book explores in breadth and depth the role of sport in museums It surveys the history of sport in museums including the growth in sport museums and halls of fame driven by major sports teams and sport organisations The book considers the humanistic benefits of the promotion of sporting heritage within museums and presents cases museums stories and best practice from around the world Sport in Museums is essential reading for all students researchers curators and historians with an interest in sport It is also a useful resource for researchers and advanced students working in museum studies heritage studies or cultural history **Sport and Protest in the Black Atlantic** Michael J. McGowan,2022-11-02 This is the first book to focus on race sport protest and the Black Atlantic It brings together innovative scholarship on African American Afro European Afro Brazilian and Afro Caribbean sports in a manner that speaks effectively to the diversity of the African diaspora its history and culture The book explores the history of sports including baseball basketball boxing football rugby cricket and track and field athletics to show athlete and fan protests in sport intersected with discourses of nationalism self fashioning gender and masculinity leisure and play challenges of underdevelopment and the idea of progress It shows how sport in the African diaspora is a crucially important lens through which to understand the challenges changes and continuities of Black Atlantic history the history of protest and racism This is fascinating reading for anybody with an interest in sport history social and cultural history post imperial history and decolonization or the sociology of sport race and political protest Rough Diamonds Hendrik Snyders,2025-08-22 Starting in the late 19th century South African baseball has established a fascinating and multi layered history Initially established by a small group of dedicated pioneers the sport benefited from the contributions of a diverse and multi national group of enthusiasts and opponents including sailors cricketers missionaries activists businessmen and bureaucrats Established at a time of social and political segregation the South African game eventually developed into a system of legislated racism under apartheid Through its willing participation in official race based events the sport was stripped of its innocence and South Africa was formally expelled from the world game only to be readmitted in 1992 following the country s slow transition to democracy This book presents the history of South African baseball from its inception to its liberation from apartheid Based on extensive archival research this is the first integrated history of South African baseball s eventful past 1986 William

Dicey,2020-12-01 1986 was a pivotal year in South African history It was the year of the vigilante the year of the necklace but also the year the talking began Drawing on newspaper articles memoirs and little known histories William Dicey presents a compelling diary of a very bad year He focuses on ordinary people showing what life was actually like under an authoritarian regime from the six hours a day that black workers in KwaNdebele spent on buses to the rebel sporting tours that provided a distraction for white South Africans Some stories foreshadow the miracle of 1990 for instance the deputy commander of Pollsmoor Prison takes Nelson Mandela on a scenic drive around Cape Town years before his eventual release Other stories shine a light on our current conflicts Written in crisp prose 1986 is a model of historical excavation deftly evoking the spirit of the times

Thabo Mbeki Mark Gevisser,2013-06-07 What happens to a dream deferred This question from one of Thabo Mbeki s favourite poems by Langston Hughes provides the thread for this magisterial biography of the second president of a democratic South Africa In the long shadow of Nelson Mandela Mbeki attempted to forge an identity for himself as the symbol of modern Africa Mark Gevisser brings to life the voices and places that made Thabo Mbeki the frontier of the Eastern Cape Swinging Britain and neo Stalinist Moscow in the 1960s the fraught world of African exile the confusion of the transition He examines the meaning of home and exile of fatherhood and family He tells the story of South Africa s black elite over a turbulent century from black Englishman to revolutionaries to heads of state and Mbeki s own transition from doctrinaire communism to economic liberalism Thabo Mbeki The Dream Deferred is a work of deep scholarship and a gripping highly readable story By tracing the path of Mbeki s life it sheds new light on his political personality and provides unprecedented insight into the dramatic role he has played in South African history Noseweek ,1999 *Alternation* ,2002 **The African Book Publishing Record** ,2004 **The Journal of Commonwealth Literature** ,2002 One number each year includes Annual bibliography of Commonwealth literature Kaapse bibliotekaris ,2002 Issues for Nov 1957 include section Accessions Aanwinste Sept 1957

Tackling Rugby Myths Greg Ryan,2005 The All Blacks failure to win the 2003 Rugby World Cup led many devotees of the New Zealand game to question old certainties and the current direction of the national game Central to these debates has been a sense that the continuity and invincibility of New Zealand rugby has been somehow eroded mirroring similar changes within society as a whole Rugby and New Zealand identity have been bundled together for over a century with both nation and game endowed with qualities of egalitarianism innovation and rural pragmatism that have been useful on the world stage The book tackles some of the myths surrounding this image of the game disentangling assumptions from historical fact and coming up with some interesting angles on rugbys past Who's who of Southern Africa ,2005 Vols for 1967 70 include as a section Who s who of Rhodesia Mauritius Central and East Africa
