A Research Guide to Cartographic Resources

Eva H. Dodsworth,2018-09-22 The interdisciplinary uses of traditional cartographic resources and modern GIS tools allow for the analysis and discovery of information across a wide spectrum of fields A Research Guide to Cartographic Resources navigates the numerous American and Canadian cartographic resources available in print and online offering researchers academics and students with information on how to locate and access the large variety of resources new and old Dozens of different cartographic materials are highlighted and summarized along with lists of map libraries and geospatial centers and related professional associations A Research Guide to Cartographic Resources consists of 18 chapters two appendices and a detailed index that includes place names and libraries structured in a manner consistent with most reference guides including cartographic categories such as atlases dictionaries gazetteers handbooks maps plans GIS data and other related

material Almost all of the resources listed in this guide are categorized by geography down to the county level making efficient work of the type of material required to meet the information needs of those interested in researching place specific cartographic related resources Additionally this guide will help those interested in not only developing a comprehensive collection in these subject areas but get an understanding of what materials are being collected and housed in specific map libraries geospatial centers and their related websites Of particular value are the sections that offer directories of cartographic and GIS libraries as well as comprehensive lists of geospatial datasets down to the county level This volume combines the traditional and historical collections of cartography with the modern applications of GIS based maps and geospatial datasets

Natchitoches, Louisiana, 1803-1840 Kathleen M. Byrd,2024-11-12 Kathleen M Byrd s Natchitoches Louisiana 1803 1840 is an examination of one French Creole community as it transitioned from a fur trading and agricultural settlement under the control of Spain to a critical American outpost on the Spanish American frontier and finally to a commercial hub and jumping off point for those heading west Byrd focuses on historic events in the area and the long term French Creole residents as they adapted to the American presence She also examines the effect of the arrival of the Americans with their Indian trading house and Indian agency on Native groups and considers how members of the enslaved population took advantage of opportunities for escape presented by a new international border Byrd shows how the arrival of Americans forever changed Natchitoches transforming it from a sleepy frontier settlement into a regional commercial center and staging point for pioneers heading into Texas

United States Interstate Mapping System Ferriter's,2009-06 Virtually everyone has been plagued at times with honest doubts about particular religious doctrines or dogmas Conversely most of us have been reluctant at times to accept scientific discoveries that are apparently irrefutable yet seem to undermine beliefs we have held sacred for years WHOSE GOD and Three Related Works deals directly with the relationships between Nature Science and Beliefs The book is a relevant and rational approach to such dilemmas Writing in a helpful non offensive style the Author has given us a common sense view of beliefs in the context of the natural universe The first section Whose God consists of twenty one dialogues between a maturing son and his wise father about the major issues in society The essay What God is in the Pledge of Allegiance to the Flag of the United States of America includes a refreshing insightful approach to the current quagmire surrounding the language under God Child of Nature the Natural Human Mind articulates the commonality of humankind underlying all religions and philosophies and is a proclamation of the necessity of universal humility and appreciation among all cultures The book concludes with an original Universal Expression of Thanksgiving that is written in language that can be offered by a person of any religious scientific or natural view of the universe and is suitable for any public or private Thanksgiving event
