E. Mungello,2023-07-14 In the twentieth century China underwent a monumental dynastic change and was transformed from an outmoded monarchy into a modern communist state This century of revolutionary change was marked by political upheaval and social chaos It was a period in which Chinese began to go abroad to study and conduct business while foreigners came to China for economic opportunity and adventure In the process Chinese and foreigners began to meet and form romantic relationships These love affairs fengliu yunshi are notable because they coincided with the last phase of Western imperialism including its lingering racial prejudices and even laws against interracial sexual relationships Conversely in China there were periodic outbreaks of hostility and violence against foreigners This book explores the interracial relationships of twenty two people who transcended these obstacles to cross color lines and fall in love *Catalog of Copyright Entries* Library of Congress.
