To Love and Be Loved Jim Towey, 2023-09-05 From a trusted advisor and devoted friend of Mother Teresa comes a powerful The Washington Free Beacon firsthand account of the miraculous woman behind the saint and a book that is rich in reflection on contemporary sanctity George Weigel Mother Teresa was one of the most admired women of the 20th century and her memory continues to inspire charitable work around the world She believed the greatest need of a human being is to love and be loved In 1948 she founded the Missionaries of Charity to work directly with the very poorest of Calcutta From the efforts of one woman entering the slums of Entally the Missionaries of Charity grew into an organization operating soup kitchens health clinics hospices and shelters in 139 countries at no cost to any government or to those who served In 2016 she became Saint Teresa of Calcutta Author Jim Towey had been a high flying Congressional staffer and lawyer in the 1980s until a brief meeting with Mother Teresa illuminated the emptiness of his life He began volunteering at one of her soup kitchens and using his legal skills and political connections to help the Missionaries of Charity When Mother Teresa suggested he take up shifts at her AIDS hospice Towey realized he was all in Soon he gave up his job and possessions and became a full time volunteer for Mother Teresa He traveled with her frequently arranged her meetings with politicians and handled many of her legal affairs *To Love and Be Loved* is an inspiring and joyful Kirkus Reviews firsthand account of Mother Teresa s last years and the first book ever to detail her dealings with worldly matters We see her gracefully navigate the opportunities and challenges to leadership the perils of celebrity and the humiliations and triumphs of aging We also catch her indulging in chocolate ice cream making jokes about mini skirts and telling the President of the United States he s wrong Above all we see her extraordinary devotion to God and to the very poorest of His children Mother Teresa taught Towey to be more prayerful less selfish more humble less worldly move in love with God and less in love with himself Her lessons are here for all to share

Inability to Love and Be Loved Carl Sweat, 2012-01-01 This book is birthed from many years of observing love as a universal phenomenon and accepting that love virtually is as ancient as human existence I discovered that love has interwoven itself into the fabric of the human experience Hence one of the irresistible compulsions of men and women is the desire to love and be loved Unfortunately every place people inhabit from the smallest tucked away village to the largest prominent metropolis difficulties related to acts of love moral behavior and expressions of kindness are discovered to be pervasive This book is dedicated to people that seek freedom and liberty Freedom is the ability to successfully triumph over the insurmountable difficulties associated with hindrances that prohibit people from unreservedly loving God themselves and others Liberty is the capacity to surmount the complicatedness of accepting love unconditionally and enthusiastically This book acknowledges that today men and women are neither free nor are they at liberty to love It is dedicated to those that desire to break free from being merely a parsimonious lover It is devoted to those that continuously question within their minds and hearts Why am I bound by an inability to love and be loved This book acknowledges that people are shackled with restraints that prohibit them from accomplishing a celebratory level of love but they cannot assume the total responsibility for their dilemma If you are a person that has experienced a fleeting moment of love if you are a person that has given up on love and if you are a person seeking to excel to a mature level that permits individuals to accomplish love related goals and

aspirations this book will enable you to become liberated to freely establish relationships manage relationships and maintain productive relationships Love and Be Loved Debra L.
