destroyed my life for many years The writing was difficult I couldn't concentrate didn't do much writing for several years due to these injuries and the struggle with my health So I started to publish my writings in small and cheap little poetry books and that was the positive side of it After more than 7 years the doctor finally found a good medicine and it felt like coming alive again So much energy and inspiration that came back to me I could focus again without having pain or headaches all the time I didn't feel tired anymore my life had started again Again another proof that God is still on my side and I call this medicine the miracle of God that's also what I told to my doctor So here it is already my number 5 Never Give Up and I would like to say thanks again to Xlibris for hanging on and also believing in me when times were rough **Sex, Violence and the**
