Mourning Diana Adrian Kear,Deborah Lynn Steinberg,2002-01-22 The death of Diana Princess of Wales on September 1 1997 prompted public demonstrations of grief on an almost unprecented global scale But while global media coverage of the events following her death appeared to create an international community of mourning popular reactions in fact reflected the complexities of the princess s public image and the tensions surrounding the popular conception of royalty Mourning Diana examines the events which followed the death of Diana as a series of cultural political phenomena from the immediate aftermath as crowds gathered in public spaces and royal palaces to the state funeral in Westminster Abbey examining the performance of grief and the involvement of the global media in the creation of narratives and spectacles relating to the commemoration of her life Contributors investigate the complex iconic status of Diana as a public figure able to sustain a host of alternative identifications and trace the posthumous romanticisation of aspects of her life such as her charity activism and her relationship with Dodi al Fayed The contributors argue that the events following the

death of Diana dramatised a complex set of cultural tensions in which the boundaries dividing nationhood and citizenship charity and activism private feeling and public politics were redrawn *Addressing the Letter* Laura Anne

Salsini,2010-01-01 Women writers of nineteenth and twentieth century Italy reinvigorated the modern epistolary novel through their re fashioning of the genre as a tool for examining women s roles and experiences *Addressing the Letter* argues that many epistolary novels purposely tie narrative structure to thematic content creating in the process powerful texts that reflect and challenge literary and socio cultural norms Through the lens of the genre Laura A Salsini considers how the works of authors including the Marchesa Colombi Sibilla Aleramo Gianna Manzini Natalia Ginzburg and Oriana Fallaci highlight such issues as love the loss of ideals lack of communication and connection and feminist ideology She also analyses what may be the first woman authored Italian example of epistolary fiction Orintia Romagnuoli Sacrati s *Lettere di Giulia Willet* 1818 In their reworking of the epistolary narrative form Italian women writers challenged dominant assumptions about female behaviours roles relationships and sexuality in modern Italy **From Alice to Algernon** Holly Blackford,2024-01-12

During the late Victorian period Charles Darwin s theories took the world by storm and the impact of evolution on research into the developing human mind was impossible to overlook Thereafter the study of children and childhood became a means to theorize imagine and apply the concept of evolution in a broad range of cultural productions Beginning with the watershed Victorian era *From Alice to Algernon The Evolution of Child Consciousness in the Novel* examines the creative transformation these theories underwent as they filtered through the modern novel especially those that examined the mind of the child By examining the connection between authors and trends in child psychology author Holly Blackford explains why many modern novels began to focus on child cognition as a site for intellectual and artistic exploration In each chapter of this book select novels of the late nineteenth or twentieth century are paired with a specific moment or movement from the history of developmental psychology Novels such as Mark Twain s *Huckleberry Finn* and Henry James s *What Maisie Knew* or Radclyffe Hall s less canonical *The Well of Loneliness* and even Mark Haddon s *The Curious Incident of the Dog in the Night Time* showcase major questions about human epistemology through their child characters From Lewis Carroll s *Alice and her looking glass* to Richard Wright s *Bigger Thomas* and the murder of Mary Dalton to the chaotic *Neverland* symbolizing the unmappable child s brain a literary tradition of child consciousness has emerged as an experimental site for the unstable concepts of evolution civilization and development By situating literature about children within concurrent psychological discourses Blackford demonstrates how the modern novel contributed to the world s understanding of the boundless wonders and discernible limits of child consciousness *Diana's Dogs* Ed Ifkovic,2007-10 The Guinness Book of World Records calls her the best selling female singer in history Billboard named her the Celebrity of the Century Diana Ross lead singer of the most popular girl group of the 1960s and later a consummate solo artist has been in the public eye for over four decades From 1964 when *Where Did Our Love Go* rose to number one on the pop charts to the present day she has been the ultimate

diva an artist worshiped by fanatical fans yet pilloried in the press for her temper tantrums and untoward demands Ed Ifkovic delivers his own spin on this international celebrity an idiosyncratic collection of short pieces that create a portrait of the mercurial star From a Detroit housing project to a Connecticut mansion who is this woman who exacts such loyalty from her fans and such vitriol from her detractors There are pieces on Diana s tantrums true but also jottings on the homes she s lived in the food she eats the cars she drives even her role as muse for writers There is a collection of poetic similes commentators have employed to describe her as well as a mind boggling catalogue of garish tabloid headlines This off beat book admittedly an obsessive fan s unembarrassed send up equal parts delight and censure is a spirited yet sardonic tale that also explores the integration of black music into the white mainstream Frankly Diana led that noble charge What the author delights in is the unorthodox observation and gossipy tidbit that accompanied that revolution **Harper's Monthly Magazine** Henry Mills Alden,1908 *Writing My Love* Claire McNab,2006-10-01 Vonny Smith otherwise known as Veronica Vanderveer is the author of best selling romance novels Her last book *Torrid Hearts* not only won a Lammy but also garnered some of the best reviews of her career Diana K Broswell Vonny s editor is unaware she is the motivation behind the best selling romances Vonny is extremely behind schedule on her next already under contract novel because she has been planning her strategy to win Diana s love She believes she will be able to woo Diana through her writing Vonny can t help but hope Diana will slide into love with her before she is aware what is happening An audacious tongue in cheek novel in progress tucked within a deliciously fraught lesbian romance only Claire McNab could pull off such an entertaining feat Katherine V Forrest
