Love Is Touching:

Love's Touch Anit Arca, 2022-04-10 Is the world an illusion Is our Universe a hologram This is a magical world All there Is is you you are the magnificent reflection of All That Is in the world of Existence and three dimensions Let us wake up from this illusion We have to realize we will leave this body one day we have to realize all of our possessions will be left behind as we depart for our next new adventure This is not a book of divine informative revelation These words do not come from heaven These writings knowledge arose in the Heart through Universal Intuition and were written from Oneself to oneself without the interference of the author s personal thoughts ego What you call I is your identity Bonding yourself with your identity creates the I am ego personality This identity of yours is not actually you it is an illusory state of what you are not In Reality you are not your ego identity The external world and its social parameters play a big role in forming this ego identity You do not own anything no name no form or any image that you can call I You have not constructed or created these You do not own anything you think you can control or possess When you identify yourself with these things the things that you are not or do not own you are creating a self imposed prison for yourself and living inside of it In other words you create your ego personality In this case we have to ask the following question who am I Really Are you really all that you claim to own names forms and images Are you only made up of body and mind When you identify with these beliefs and those of the collective world consciousness you get lost and break away from your true Reality When you claim ownership of these names forms and images you create your ego personality Whenever you say I am this or that you are identifying with that thing which you now claim as your own and you unify yourself with that thing If you do not identify with anything if you do not claim ownership of anything the I ceases to exist Removing the I dissolving it is the ultimate freedom we seek The walls of the self imposed prison of ego personality you possessively created will fall away Here in this liberated state of being the necessity for choice or decision falls away too You act just as is needed in each moment of life as it arises in the Now Thoughts of should I have done this or that will disappear The mind is like software running on a computer The virus that corrupts the software is the ego It is this ego personality that creates erroneous beliefs and then claims ownership of them Only when this virus is removed by an antivirus program Mind reveals itself in its full capacity With this cleaning up process human minds become increasingly liberated and expansively intelligent In this Book knowledge of advanced life is being released into the public publishing domain for the first time This life can be described with concepts of Absolute Human Birth of Absolute Humanity Experiencing Non Existence and Beyond Non Existence We believe through our life experience that the only way to change our individual and collective point of view is to know NON EXISTENCE The will behind the writing and publishing of this knowledge in the Book arose in servitude **The Love Touch** Frank L. Clark, 2011-12-14 The 5000 year old History of touch was well understood by wise men kings and queens royal courts astrologist professors and philosophers These historical figures learned and understood how daily touch was important to their well being We have come a long way

since then and know now that children can die with touch Touch supplies the basic needs in our wonderfully orchestrated child hood development Daily touch is as important as breathing Look inside and learn how important daily touch is to your stressful lives *Love's Touch of Justice* Yvonne Kohano,2014-11-25 She was the one person who could convince him without pleading her case that he d been dead wrong Justice wasn t a sharp sword but a dull blade and sometimes it did more damage than good as it sliced through to the truth Sheriff s Deputy Jake Kermarrec has a strict interpretation of right and wrong and if you end up in jail justice obviously prevailed Being a cop is what he knows and the only thing he aspires to When he s a hero and his career is at risk he turns to Marlee Cruz for relief Their physical attraction becomes harder to ignore with each session of massage despite the rules and secrets between them The closer they become though the more difficult it is for either of them to turn away Marlee s past slowly unravels and Jake finds himself questioning his rigid beliefs even as his friends and family begin to question his judgment As shocking news multiplies he finds himself making bigger excuses on her behalf When it counts will he put his commitment to protect and serve on the line for Marlee The Flynn s Crossing series is contemporary romance set in the northern California foothills suspense driven by small town secrets and complex characters in compelling stories about friendship and love You can enjoy the books out of order without ruining their surprises *Scars Fade at Love's Touch* Pawankumar G S,2020-11-11 survivor a career career focused woman in society an example for every victim who suffers from traumas A girl who is totally not at all interested in love or marriage and hates humankind to the core Her entire outlookpinion changes when she meets Kavin who joins her office under her team Kavin is a happy go lucky guy who is a symbol of laziness who dreams of becoming a film director Take a chance to meet strict Sandy and cool Catherine two amazing friends of Kavin Wand will they help to write a poem in his life The only common point between Nethra and Kavin is Nethra I don t trust any human I like basketball Kavin I am the captain of my college s basketball team The entire world suffers from the darker side of lust and trust is the dangerous game Can love heal the permanent scar which is hard to forget Catalog of Copyright Entries Library of Congress.
