The Battle For Love: Part Two Denise Vern McCray Williams, 2021-10-22

The battle for love 2 talks about my life experiences in life and the drama I had to go through just to feel some type of companionship in life rather it was with associate to get the respect and love that I thought people had to give to me until I had to learn how to give it to myself whether it was boyfriends, girlfriends, family members, or exes. It talks about how I had to learn things the hard way in life. Because I thought I knew it all and was too hardheaded to listen to anyone for advice. What I had to implement into my own life to get the love I so much desired. How I went about getting the results. Learning not to settle for less because I am worthy of self-love and respect to myself.
