discussions do we truly understand LGBTQ How should we discern the right and wrong From Christian perspective how should we see it and live with its community Does the Bible provide us the answer In the past when religions are confronted by issues of homosexuality and LGBTQ they would quickly jump into a conclusion such as sin against the nature promiscuity unclean etc On one hand religious communities subconsciously hold different attitudes and mindsets toward LGBTQ community on the other hand media coverage and celebrity influence exalt the revolution and advocacy of LGBTQ so that people or religious bodies who hold different point of views may be labeled as conservative old fashioned traditional conventional etc Over time a gap has formed between LGBTQ and religious communities Nevertheless before we decide between the right and wrong or give people a label of unrighteousness could we jump out of the endless quarrel opposition or criticism Could we adjust our perspective to understand to observe and to contemplate the matter so that we can better serve this community and walk with them with the love of Christ while we hold on to the law and principle of God

Homosexuality FAQs A Christian Perspective is a wonderful guide for Churches It helps readers to understand the issue more comprehensively find out the viewpoints of the Bible and learn how to reach out and serve LGBTQ community This book clears doubts and confusions on LGBTQ through 10 questions in the first section It tries to rebut general arguments from objective and scientific perspective In the second section it discusses LGBTQ from biblical perspective through 16 questions Lastly the editors laid out 6 questions to discuss the relation between Christians and the society on LGBTQ issue Each answer begins with quick response to give readers the key concept then followed by elaboration and more supplementary information This structure is clear and easy to follow What I appreciate the most is that it does not merely lay out a pile of data and evidence but also shares ministry tips at the end of some answers so that readers can break through the frame of merely knowledge thinking and critique and more important they can learn how to bridge the gap between the LGBTQ and us counsel and serve LGBTQ community Whether you want to know more the issue or feel the burden to serve the LGBTQ community this book is worth to read Bishop Dr Titus Chung Anglican Diocese of Singapore President National Council of Churches of Singapore [The Art of Biblical Counseling](#) Dr. Forshaye Winbush, 2008-04-28 With thrilling short stories F D

**Therapy Thieves** Francis A. Martin,2020-03-13 Acting on what started as a hunch Dr Francis Martin has cataloged well over 20 000 distinct approaches to counseling and psychotherapy that are advertised on the webpages of licensed practicing mental health providers No doubt some portion of them are harmful but the sheer volume of advertised practices and techniques often with names deceptively similar to actual evidence based practices should be cause for concern among all stakeholders in the helping professions from educators and researchers to policy makers and insurance companies and especially consumers Based on this significant original study and drawing from other research and supports Therapy Thieves describes a near universal crisis in the field and recommends ways to rescue mental health care from itself The crisis is caused by declining competence among counselors and psychotherapists who have failed to regulate themselves and who therefore deliver inadequate if not harmful services In presenting a simple yet powerful indictment of the field Dr Martin advocates for major reforms in several areas of mental health care including how prospective licensees

are trained supervised and licensed a major reworking of professional ethics and the need to establish regulations for mental health care providers In short the book calls for major specific and urgently needed reforms **Christian Counseling 3rd Edition**
