The Greatest Love Story Never Told Richard Orion,2015-10-30 This story is based on a true love story that spanned almost two decades The names and places have been changed to protect the privacy of the individuals involved in this affair The chronological sequence of events has been maintained for continuity All the stories and experiences are based on facts This book is about a love story that was kept secret for 18 years and perhaps shouldve remained a secret The first book related to this love story was a book of poems entitled Somewhere Sometime Somehow Love Poems and Short Stories published in 2008 by this author and Xlibris For the perceptive reader of this book one can trace the ups and downs of our love relationship These 18 years were filled with robust love and passion for each other Perhaps it was fantasy perhaps it was the most real thing we will ever experience The heartbreaking part of this love affair is that I am not really sure my lover ever really understood or appreciated my profound and unconditional love for her I opened my heart to her through poetry and thoughtful letters but she rarely showed me what was in her heart Perhaps it was a one sided love affair but I surely think and hope not I was convinced that she truly loved me through her words and actions At least I experienced a pure love that I had only dreamed was possible The story is told mainly through the exchange of letters and emails to each other Perhaps readers can experience and hopefully feel the deep love we felt for each other **I Have Grown in His Love** Ibrahim Michail Hefzallah,2012-11 One method of enjoying reading the Bible is to live the events as one reads them by becoming an observer or a participant in those events In this novel the author became James the lad who was carrying five loaves of bread and two fish which Jesus blessed to feed over five thousand people From that perspective he followed James s growth in love of Jesus Christ Through listening to Jesus teachings observing His miraculous deeds following Him on the way to the cross and hearing the news of His resurrection from the dead James developed his understanding of who Jesus is First

he thought of Him as a prophet the Messiah and finally he believed that He is the Son of God At a mature age James wrote his memoirs from the first time he met Jesus to the time he was preparing to leave on his first missionary trip to preach the Way Although the miracle of feeding the crowd happened almost one year before Jesus was crucified and resurrected the novel is developed to present to the reader other important events that happened prior to that miracle Prophecies of the Old Testament were incorporated in the body of the story as they were being fulfilled The Bible events in the novel are real James is an imaginary figure whom the author followed in his growth in the love and knowledge of Jesus Christ *Fall in Love, Have Children, Stay Put, Save the Planet, Be Happy* Frank Schaeffer, 2021-11-02 A post coronavirus evolution based how to for putting living ahead of work Bestselling author Frank Schaeffer offers a passionate political social and lifestyle blueprint for changes millions of us know are needed to rebalance our work lives with thriving relationships Fall in Love Have Children Stay Put Save the Planet Be Happy Even before everything was disrupted by COVID 19 not to mention by Trump millions of Americans were already questioning capitalism's values We were already challenging the idea that your job defines you We already knew something was wrong Loneliness frustration and alienation were already on the rise Even the most successful of us felt too busy too preoccupied and too distracted to enjoy what we intuitively know are life's greatest rewards vibrant relationships family life connection to others involvement in our community and the thrilling experience of love Fall in Love builds a well researched and entertaining bridge to living happier lives and to a better future It shows us that based on a better understanding of our evolutionary selves we can thrive in family life and in our work life too But to do both joyfully and at the same time depends on rediscovering the priority of relationships connections community and love God, Why Do You Love Me?: Cognitive Dissonance - Finding Freedom From Shame , Have you ever felt discarded unworthy dirty Do you feel chained down by shame and regret Do you look at yourself and wonder how you could ever be clean Would you believe me if I told you there really is a way One that works A way from pain to freedom From shame to acceptance From loneliness to being loved more than you could possibly imagine By picking up God Why Do You Love Me you just took the first step The first step toward freedom from shame onto a path of transformation healing and invigoration How do I know this Because I walked the same path lived shackled in the same chains of shame and was led by God on that same miraculous journey Why Because God loves us as we are knows exactly how we feel and still wants a relationship with us He wants a relationship with you RIGHT NOW Though hurt and pain may distance your heart from Him His specialty is broken people Trust me I know Just as doctors perform surgery to heal God desires to do the same for us Through sharing my story and how God has written His story of redemption in my life and on my heart I hope that you can reflect on your story and how God is waiting and ready to transform your own hurting heart as He did mine Please take this step with me on this journey of healing and learn who God created you to be
