about introducing spirituality into the recent turmoil in politics Friends human life starts with love and ends with eternal love for our savior It is never enough to share our love and write about love and talk about actual love stories of heavenly roses joy Christmas healing touch miracles and our calling for his purpose This is what my twelfth book is all about **A Good Family** Erik Fassnacht,2015-08-25 Named a Best Book of 2015 by Chicago Book Review Meet the Brunsons of Downers Grove Illinois Henry is the once magical father whose fear of aging and endangered career lead him to the nightclubs of Chicago s Viagra Triangle His wife Julie struggles to reclaim her life with a bottle of Zoloft and dreams of her youthful independence Charlie the golden boy son leaves the lucrative job his father arranged to serve in Afghanistan and returns angry damaged and uncertain of his place in the world And Barkley the bumbling youngest is an aspiring writer of geeky science fiction stories now interviewing for his first job at a forbidding Catholic high school When Henry s health abruptly declines he tries to return to the home and the life he had dominated But his family once totally dependent on his love physical strength and income no longer needs him As Julie Charlie and Barkley begin to find their ways forward Henry tries desperately to bring them back together In the end each one will arrive at a new understanding of what family can and cannot be Unusually assured and perceptive combining narrative drive with humor insight and powerful family dynamics A Good Family is a memorable debut by former high school teacher Erik Fassnacht [Killer Consulting Resumes](#) WetFeet.com (Firm),2008 **Sam's Song** Hannah Howe,2014-11-05 Love Hurts For Derwena de Caro songstress female icon teenage dream success brought drugs alcohol and a philandering boyfriend It also brought wealth fame and a stalker or so she claimed And that s where I came in to investigate the identity of the stalker little realising that the trail would lead to murder and a scandal that would make the newspaper headlines for months on end Love Hurts For me Samantha Smith Enquiry Agent love arrived at the end of a fist First I had to contend with an alcoholic mother who took her frustrations out on me throughout my childhood then my husband Dan who regarded domestic violence as an integral part of marriage But I survived I obtained a divorce kept my sense of humour and retained an air of optimism I established my business and gained the respect of my peers However I was not prepared for Dan when he re entered my life or for the affection showered on me by Dr Alan Storey a compassionate and rather handsome psychologist Sam s Song This is the story of a week that changed my life forever
