Love You Lucy Pig is about the love between an eight year old named Breana and her pig The bond both characters create for each other during the summer months of nurturing and getting ready for the auction at the Del Norte County Fair in Crescent City California is very powerful and emotional Children learn that a higher price for pigs doesn't always produce a winner It's about the love and caring for your animal that makes I Love You Lucy Pig so tenderhearted **Ten Things I Love about You** Daniel Kirk, 2013 Rabbit makes a list of the things he loves about Pig but needs Pig's help deciding what to write **Piglet** Lottie Hazell, 2024-02-27 A New York Times Notable Book A Belletrist Book Club Pick An elegant razor sharp debut about women's ambitions and appetites and the truth about having it all Outside of a childhood nickname she can't shake Piglet's rather pleased with how her life's turned out An up and coming cookbook editor at a London publishing house she's got lovely loyal friends and a handsome fiancé Kit whose rarefied family she actually most of the time likes despite their upper class eccentricities One of the many many things Kit loves about Piglet is the delicious unfathomably elaborate meals she's always cooking But when Kit confesses a horrible betrayal two weeks before they're set to be married Piglet finds herself suddenly hungry The couple decides to move forward with the wedding as planned but as it nears and Piglet balances family expectations pressure at work and her quest to make the perfect cake she finds herself increasingly unsettled behaving in ways even she can't explain Torn between a life she's always wanted and the ravenousness that comes with not getting what she knows she deserves Piglet is by the day of her wedding undone but also ready to look beyond the lies we sometimes tell ourselves to get by A stylish uncommonly clever novel about the things we want and the things we think we want Piglet is both an examination of women's often complicated relationship with food and a celebration of the messy life sometimes makes for us **The Freedom to Love** Jeza Belle, 2025-03-03 Arthur Buchanan returns to Mason County Kentucky an idealistic young man who has just inherited the Lanark Plantation His arrival is eagerly anticipated by the household servants his brutal mother Missus Anna who is angry that Buck left Lanark to their son and Samson his close childhood friend and slave whom he has not spoken to in over a decade When Arthur invites Samson to move into the Lanark home as a house slave it draws ire and curiosity from all sides Arthur's mother plots for her son to take a wife but the two men find themselves unable to control their feelings for each other despite the incredible risks and the deep disparities in their power and station The young master and his slave embark upon a clandestine relationship hidden from everyone lest their taboo connection cause unimaginable repercussions Can love flourish under the extreme imbalance and dehumanizing conditions of slavery Warning contains highly charged racial imagery and language that cannot be avoided in a work of this nature *The Shadows of Rookhaven* Pádraig Kenny, 2022-10-11 The exquisite sequel to *The Monsters of Rookhaven* following the half human and half monster Mirabelle on a mission to protect the only home she's ever known from a sinister new threat bent on eradicating her family perfect for fans of Christian McKay Heidicker Robert Beatty and Victoria Schwab *Shadows* are gathering over Rookhaven Village and no human or monster is safe In the wake of the shocking revelation that

Mirabelle is part human and part monster our heroine feels like an outsider both at home and in the greater human world She isn't quite like the rest of the monsters who raised her at Rookhaven Manor but she also doesn't recognize herself in humanity especially after witnessing the terrifying damage left by The Blitz But as the Great Configuration a once in a hundred years event descends upon Rookhaven Village there's barely enough time to think of herself Humans and monsters are gathering from all over the country to take part in the festivities Though amid the guests is an insidious interloper A young boy named Billy who is desperate to protect his own is working for someone who wants to destroy Mirabelle's family When Billy steals something precious to Mirabelle there's more than just her family at stake Billy is being used for an experiment that could incite a disaster that will affect humans and monsters alike With the fate of the world on her shoulders Mirabelle must risk everything and everyone to save the people she loves most A stunning gothic fantasy with a beating heart The Shadows of Rookhaven concludes P. D. James's duology with a masterful ending that reveals the crucial truth that family is much more than just a place it's the people you love and the home you find within yourself
