Love Is A Beautiful Thing:

Love Is a Beautiful Thing PPP Inc.,1999-11 Meaningful sentiments in a small elegant package Love is golden as well and this Pocket Gold Edition TM celebrates the spirit and the joy of love *Living is a beautiful thing* Suat Ünsal,2024-07-10 Pitch dark You can't see your hand in front of your face You don't see anything When you don't see you don't know you aren't known Something like nothingness But suddenly as if you've pushed a button everything becomes illuminated visible known What a beautiful thing it is to exist Living is a beautiful thing indeed Life is the button of that light Our Lord gave us life while we were far from life and friends He gave us both life and friends What a beautiful thing life is Whatever is beautiful we know it through life we taste it through life we experience all the beauties of life We also find ourselves with life Life is such a beautiful thing It's beautiful like air like breathing It's beautiful like feeling as if you're drowning surfacing quickly and taking a deep breath We save ourselves from drowning with every breath It would be so good if we could enjoy being kept alive with every breath How to be grateful for living how to pay for the blessing of life Getting used to things makes us blind we can no longer see Although the blessing we take for granted is staring us in the face we throw it into that pitch darkness When you can't see it as a blessing you can't be grateful Is there a cure for habituation Yes there is Let's close our eyes for a few seconds Let's open our eyes as if we were using them for the first time after the darkness What is it like to see to be able to see What would you miss if you didn't see You can apply such a method of breaking habituation for every blessing you have received and everything you love This is how you can tear the veil of habituation As the poet says Living is such a beautiful thing By understanding like a master a book Like a love song Living in wonder like a child As we get used to something and take it for granted the taste meaning and beauty of seeing it for the first time disappears We can tear the veil of habituation and renew the meaning of life in our minds by changing our perspective There lies the taste of life Isn't this important too The perfect level of life is the life of heaven Our most vital issue is to turn this world into heaven on the one hand and to do things that will elevate our lives to heavenly life on the other hand Man was created for happiness in two worlds However happiness on earth and happiness in heaven are not the same Since opposites coexist in the world it will be unrealistic to seek full happiness However man can find peace with a faithful attitude among the waves turmoil changes and the hustle and bustle of the world One should live life to the fullest He should increase his good deeds He should fill his life with beauty Living is really beautiful if you live like this One should not forget the one who gave this beautiful life We should not forget that we have Lord who loves us more than anything He created He is the one who creates love He is the one most worthy of being loved we should not forget it Flowers roses especially butterflies the stars the moons the sun the seasons one should live by appreciating them In other words we should give them their due on behalf of Allah Living is really beautiful when you live like that Otherwise you see that living has become a dungeon and something meaningless Inshallah Living is a Beautiful Thing will touch hearts and lead people to good deeds May Allah be with you *Dialogues of Love* Leone

Ebreo,2009-05-09 First published in Rome in 1535 Leone Ebreo's Dialogues of Love is one of the most important texts of the European Renaissance Well known in the Italian academies of the sixteenth century its popularity quickly spread throughout Europe with numerous reprintings and translations into French Latin Spanish and Hebrew It attracted a diverse audience that included noblemen courtesans artists poets intellectuals and philosophers More than just a bestseller the work exerted a deep influence over the centuries on figures as diverse as Giordano Bruno John Donne Miguel de Cervantes and Baruch Spinoza Leone's Dialogues consists of three conversations On Love and Desire On the Universality of Love and On the Origin of Love that take place over a period of three subsequent days They are organized in a dialogic format much like a theatrical representation of a conversation between a man Philo who plays the role of the lover and teacher and a woman Sophia the beloved and pupil The discussion covers a wide range of topics that have as their common denominator the idea of Love Through the dialogue the author explores many different points of view and complex philosophical ideas Grounded in a distinctly Jewish tradition and drawing on Neoplatonic philosophical structures and Arabic sources the work offers a useful compendium of classical and contemporary thought yet was not incompatible with Christian doctrine Despite the unfinished state and somewhat controversial enigmatic nature of Ebreo's famous text it remains one of the most significant and influential works in the history of Western thought This new expertly translated and annotated English edition takes into account the latest scholarship and provides an invaluable resource for today's readers

Life, It's a Beautiful Thing Laura Schaufel,2011-10-07 Life It's a Beautiful Thing is Laura Schaufel's technique of spreading the love of God It is her method of expectantly accomplishing a desired aim Touching lives spiritually is her intent and purpose promoting faith hope and inspiration Laura Schaufel is a witness to the power of prayer She testifies to an extraordinary event manifesting divine intervention in human affairs that happened in 1990 in Folsom California This little book is an account of astonishing and noteworthy happenings of an ordinary woman who lives in the knowledge that God has a purpose a destiny and a plan for each of us God has been showing her His plan all of her life through acts and actions that only now does she to some extent understand As she stood in that cold mechanical hospital room listening to her son fight for just one more breath of air she prayed to God to let him live Please return him to me for whatever time I may have here on earth she asked But the plans laid out in heaven for that day called for her son to return home to our Father Whereas you do not know what will happen tomorrow For what is your life It is even a vapor that appears for a little time and then vanishes away James 4:14 NKJV In the midst of death's storm is when your faith and the presence of the Lord are most needed to provide the strength to persevere Look and listen to these true stories of God working in His way Then see how you can reach the point in prayer where you are at ease with the world and can accept all of God's plans for you as your destiny unfolds

Plato's Forms William A. Welton, 2002-01-01 The theory of forms usually attributed to Plato is one of the most famous of philosophical theories yet it has engendered such controversy in the literature on Plato that scholars even debate whether or not such a theory exists in his texts Plato's Forms Varieties of Interpretation is an ambitious work that brings together in a single volume widely divergent approaches to the topic of the forms in Plato's dialogues With contributions rooted in both Anglo American and Continental philosophy the book illustrates the contentious role the forms have played in Platonic scholarship and suggests new approaches to a central problem of Plato studies

Divine Love in Islamic Mysticism Binyamin Abrahamov, 2013-10-28 The two theories of divine love that are examined in this book have their foundations in Greek Jewish Christian and Muslim ideas Al Ghazali twelfth century was influenced mainly by Plato and Ibn Sina's teachings while al Dabbagh thirteenth century who accepted some Ghazali's notions developed a theory of divine love that can be traced back to Neoplatonism Both scholars

created complete theories of divine love that include definitions of love its causes and signs the ways to love God God's love for man and kinds of love The book will interest students of theology philosophy and mysticism in general and students of Islam in particular The Symposium and the Phaedrus Plato,1993-01-01 The Symposium and the Phaedrus are combined here because of their shared theme a reflection on the nature of erotic love the love that begins with sexual desire but can transcend that origin and reach even the heights of religious ecstasy This reflection is carried out explicitly in the speeches and conversations in the dialogues and implicitly in the dramatic depiction of actions and characters Thus the two dialogues deal with a theme of enduring interest and are interesting for both their literary and their philosophical character In addition to the introduction the book contains substantial commentaries and thorough endnotes Key Greek terms are discussed for readers who are unfamiliar with the language A special feature is a discussion on the importance of the dramatic and literary aspects of the dialogues for interpreting their philosophical content The introductions deal with the nature of the dialogues themselves as philosophical texts and with Plato's philosophical assumptions and key concepts as well as with the necessary background of Athenian society The endnotes clarify any ambiguities and obscurities in the original text identifying all references to people places gods et cetera The commentaries are designed to open up the dialogues for the reader showing the issues that have been debated by commentators and considering some of the responses to them They are designed to stimulate further reflection Messy Beautiful Love Darlene Schacht,2014-09-23 Messy Beautiful Love delivers an incredible testimony of grace that offers hope for today's marriages and a spark for rekindling love Love gets messy Financial problems sickness aging parents a chronically unhappy spouse trials will inevitably come that threaten your marriage No matter how long you've been married or how strong your relationship is sooner or later you are going to have a mess to clean up Messy Beautiful Love is about cleaning up messes God's way exchanging your ideas for His and being prepared for both the best and the worst that marriage has to offer When you surrender your relationship to God then and only then will you experience the blessing of marriage as He intended This is the blessing of obedience Messy Beautiful Love is an invitation to that obedience The cynical world says marriages don't last but God knows better Tune out the world and tune in to Him When you do that a beautiful marriage is not only possible it's inevitable The Railroad Telegrapher ,1913 Happy Lives and the Highest Good Gabriel Richardson Lear,2009-01-10 Gabriel Richardson Lear presents a bold new approach to one of the enduring debates about Aristotle's Nicomachean Ethics the controversy about whether it coherently argues that the best life for humans is one devoted to a single activity namely philosophical contemplation Many scholars oppose this reading because the bulk of the Ethics is devoted to various moral virtues courage and generosity for example that are not in any obvious way either manifestations of philosophical contemplation or subordinated to it They argue that Aristotle was inconsistent and that we should not try to read the entire Ethics as an attempt to flesh out the notion that the best life aims at the monistic good of contemplation In defending the unity and coherence of the Ethics Lear argues that in Aristotle's view we

may act for the sake of an end not just by instrumentally bringing it about but also by approximating it. She then argues that for Aristotle the excellent rational activity of moral virtue is an approximation of theoretical contemplation. Thus the happiest person chooses moral virtue as an approximation of contemplation in practical life. Richardson Lear bolsters this interpretation by examining three moral virtues: courage, temperance, and greatness of soul, and the way they are fine. Elegantly written and rigorously argued, this is a major contribution to our understanding of a central issue in Aristotle's moral philosophy.
