**The Three Secular Plays of Sor Juana Inés de la Cruz** Guillermo

Schmidhuber,2021-12-14 Sor Juana In s de la Cruz 1648 1695 wrote poetry prose and plays and is considered the greatest of Mexican women writers She was an intellectual prodigy reportedly mastering Latin in twenty lessons and at sixteen she entered a convent so that she might continue her learning One of the most influential early feminists in the New World she answered a bishop s criticism in a letter that has become a classic defense of the education of women She collected a private library of 4 000 volumes but when she was told that her studies were delaying the progress of her spiritual education she gave away her books and devoted herself to religious studies Traditionally scholars have attributed only one complete play to Sor Juana but in 1989 Guillermo Schmidhuber discovered a lost play The Second Celestina which he proved conclusively to be Sor Juana s earliest comedia co authored with Agustin Salazar y Torres Schmidhuber s critical study is the first dedicated exclusively to the secular plays and the first to confirm Sor Juana s authorship of three dramatic pieces Combining literary history and criticism Schmidhuber explores the life and originality of Sor Juana s dramas and helps elucidate her enigmatic genius Though Sor Juana s work as a poet and intellectual has received increasing attention in the last decade writing about her has rarely taken into account her role as dramatist Schmidhuber helps correct this critical imbalance by examining Sor Juana s plays in light of dramatic theory He finds elements of both mannerist and baroque theater in her work sometimes both within the same play     *The Heart's Compass* Pasquale De Marco,2025-04-23 With The Heart s Compass embark on a captivating exploration of love s multifaceted nature This book delves into the depths of human emotion examining love s diverse expressions and profound impact on our lives Within these pages you ll discover a symphony of love s melodies each chapter resonating with unique insights and perspectives From the tender touch of affection to the passionate embrace of romance love s myriad forms are celebrated and explored Delve into the complexities of love s labyrinth where crossroads and challenges test the boundaries of devotion Discover the profound legacy of love shaping generations and leaving an enduring impact on humanity Unveil the echoes of love resonating through time and shaping destinies Witness the transformative power of love healing wounds and mending broken spirits Explore the resilience of love unwavering in the face of adversity and discover the strength of love s enduring flame With The Heart s Compass you ll embark on a journey of self discovery and enlightenment gaining a deeper understanding of love s universal language and its ability to connect individuals across boundaries Delve into the tapestry of love s expressions appreciating the intricate threads that weave together human hearts This book is a heartfelt exploration of love s symphony inviting readers to reflect on their own experiences and appreciate the profound beauty and power of this universal emotion Whether you re seeking solace inspiration or a deeper understanding of love s complexities The Heart s Compass offers a wealth of insights and perspectives to enrich your journey If you like this book write a review on google books     [Exquisite Poetry](#) Mario A. down your spine With the Joy felt the sun will shine bright So much Pain you will hear the thunder Entrapped Never knowing which door to open or close trapped trapped within myself Mustard Seed One morning I awoke still living deep within sin God said This is your day son If you just believe I cried How Lord how Embraced An invisible romance a feeling for not just a word a love that I hold to myself Betrayal of Love Betrayal of love so heavy so deep my heart is crushing beneath my feet Unforgotten Pains Unforgotten pains thoughts from yesteryear a love grimace backwards ascend an emotional mountain as cynical as the lowest valley Rarely Pure Rarely pure is our weakness Often we are sullied and so full of guilt blemishes fall from our affected heart

The Worlds of Petrarch Giuseppe Mazzotta, 1993-10-20 At the center of Petrarch's vision announcing a new way of seeing the world was the individual a sense of the self that would one day become the center of modernity as well This self however seemed to be fragmented in Petrarch's work divided among the worlds of philosophy faith and love of the classics politics art and religion of Italy France Greece and Rome In recent decades scholars have explored each of these worlds in depth In this work Giuseppe Mazzotta shows for the first time how all these fragmentary explorations relate to each other how these separate worlds are part of a common vision Written in a clear and passionate style The Worlds of Petrarch takes us into the politics of culture the poetic imagination into history and ethics art and music rhetoric and theology With this encyclopedic strategy Mazzotta is able to demonstrate that the self for Petrarch is not a unified whole but a unity of parts and at the same time that culture emerges not from a consensus but from a conflict of ideas produced by opposition and dark passion These conflicts intrinsic to Petrarch's style of thought lead Mazzotta to a powerful rethinking of the concepts of fragments and unity and finally to a new understanding of the relationship between them Essential to students of Medieval and Renaissance literature this book will engage anyone interested in the development of modernity as it has evolved in culture and is understood today
