*Confederate Sheet Music* E. Lawrence Abel,2015-06-14 During the American Civil War songs united and inspired people  
on both sides The North had a well established music publishing industry when the war broke out but the South had no such  
industry The importance of music as an expression of the South s beliefs was obvious as one music publisher said The South  
must not only fight her own battles but sing her own songs and dance to music composed by her own children Southern  
entrepreneurs quickly rose to the challenge This reference book is distinguished by three major differences from previously  
published works First it lists sheet music that is no longer extant and listed nowhere else Second it gives complete lyrics for  
all extant songs a rich source for researchers And third a brief historical background has been provided for many of the  
songs Each entry provides as much of the following as possible staying faithful to the typography of each title page the title  
as published names of all lyricists composers and publishers dates of publication cities of publication and if applicable the  
names of catalogs or magazines in which the song appeared Music published in Southern cities under Federal occupation is  
excluded      **Country Music Lyrics** Ray Stone,2022-01-26 This collection of country lyrics was compiled over a twenty year
