The Repairer of the Breach Don Smith,2020-02-09 The Repairer of the Breach is my contribution to raise up the foundations of God for my generation and those to come It is my effort to partner with God s people to repair any breach between them and the Heavenly Father and to restore paths for men and women of various backgrounds cultures and races to walk or dwell in I want to contribute to a better quality of life for all people I want to inspire people to believe in God to their full potential which in turn I believe will lead them to live life to its fullest potential God is only good always The devil is only evil always Few people truly believe the above statement Many people in this walk of life do not believe in God or the devil Then there are those who believe that there is a God and there is a devil but they lack the knowledge and truth regarding the nature of the true God and the nature of the devil the adversary Hence God is often blamed for the evil that occurs in this world God is blamed for death destruction sorrow and a whole host of other things I will show you from the integrity of God s word the Bible that God is only good and is not the cause or source of evil in the world or in our personal lives

The Spiritual Journey of a Coptic Christian Brain Surgeon: Views and Reflections Ramsis F. Ghaly MD,2018-11-09 Deeper and deeper as the human spirit roams with fascination unto Divinity Never enough roaming This is my eleventh book of Christianity and the human brain As a neurosurgeon for thirty years I have found unlimited bonds between the Christian Divinity and the human brain My neurosurgical humanity eagerly desires to explore Divinity Since my childhood goes back decades and is deeply rooted I meditate with my Christian brain searching for common understanding of spirituality in humanity It is hard to describe this through each book and I find myself seeking more Divine clarifications My meditation is achieved thorough reading the Holy Bible with my neurosurgical human brain I try to peel my deep thoughts layer by layer as if I am dissecting the human brain in neurosurgery in actual life The book touches on many timely aspects of our human life with personal spiritual views and poems The book consists of Twelve major Sections and each section ranges from 8 to 23 chapters with total of 137 chapters The main sections include My Christian Dreams in Neurosurgery Monasticism in My Life Mothers and Children Angels Living Human Brains and Spirituality Jesus Love The Persecuted Christ and Christ Followers Royalty and Heavens with Jesus Last Hours in humanity Spiritual Reflections Views and Poems Law and the Spirit Sacred Medicine and Patients Testimonials As a Coptic Christian from Egypt I was raised in keeping up with strong Christian Orthodox practice in daily living Perhaps the strength of the book is incorporating Jesus the Almighty God in everything I do not only in daily living but also with my patients in Neurosurgery practice There is a dire need of such a book especially in an era where Christianity continued to be persecuted worldwide and denied in a daily basis as evidenced through public restraining of Lord Jesus Christ in our daily life The human brain and Neurosurgery are in Jesus God as Christ the Lord is in human brain and Neurosurgery I hope for the reader to find spiritual use of the book and a closer relationship to our Holy Trinity God the Father the Son and the Holy Spirit
