**Give Us This Day Devotionals, Volume 6** Charles Erlandson,2023-06-29 Give Us This Day is a unique daily devotional commentary for the entire New Testament based on the ancient method called lectio divina Lectio divina or divine reading is the method used by the early church and countless Christians through the centuries to read the Scriptures to form and transform the soul more than merely to inform the mind Give Us This Day deals in depth with entire passages and their contexts Rather than selecting only certain portions of the New Testament to write about Fr Charles has written a devotional for each and every passage of the New Testament Fr Charles writes for the whole person he s not afraid to use his sense of humor and he carefully relates the Bible not only to the individual s life but also to the life of the Church At the end of each day s devotional an appropriate Prayer is offered as well as Points for Further Reflection on the day s lesson Each devotional concludes with a suggested Resolution to put into effect what the Spirit has stirred up in the heart of the reader during the course of his reading meditation and prayer

**Poems about Art, Science, Love and Life** ,2010-10 These poems came out of the love Dr Yadusky has for his wife Margaret and his children The will to create and the will to love are one Poems make love visible and by doing so they uplift and heal because in the presence of love everything is healed Poetry at its essence depicts a spiritual world because the mind seeks truth the heart seeks love and the spirit seeks goodness and God Poems awaken something in the reader s heart that is beyond knowledge We can define poetic creation in the same way that we define art itself namely spirit expressed into matter Poets say tangibly what they feel intangibly to give finite form to the infinite When Dr Yadusky depicts this creative spirit of love he shows us the face of God
