In Verse* Saint Mary Magdalene, 1820 Mary Magdalene, Apostle to the Apostles Dinah Chapman Simmons, 2018-09-10 What do the gospels tell us about Mary Magdalene She was a committed disciple of Jesus during his public ministry and at the cross She was the first to encounter the Risen Lord on Easter morning And she received his commission to be the apostle to the apostles Through Dinah Chapman Simmons reflections on these experiences Mary Magdalene invites us into a deeper relationship with the Lord Jesus **The Resurrection of Mary Magdalene** Jane Schaberg, 2004-08-31 The controversy surrounding Dan Brown's novel *The Da Vinci Code* has intensified interest in Mary Magdalene and Jane Schaberg provides

an authoritative source for a deeper understanding and re assessment of this popular figure Within a progressive feminist framework The Resurrection of Mary Magdalene approaches Christian Testament sources through analysis of legend archaeology and gnostic apocryphal traditions This is the story of the suppression and distortion of a powerful woman leader Schaberg presents Mary Magdalene as successor to Jesus in a challenging alternative to the Petrine primacy **Mary of Magdala** Elaine Rose Penn,2019-10-30 Mary Magdalene We know from the way she is introduced to us from the Bible record that she had once been possessed by seven devils This fact more than any other seems to be all that we know about her connection to Jesus the Christ We know that she appears quite unexpectedly at the cross of Jesus and then at his tomb We know that she alone was given the distinction of being the first to see the Christ alive from the dead We know that Jesus gave her the remarkable charge to announce his resurrection to the world in absolute accuracy of what He said he would do We know that she was one of the twenty five female disciples of Jesus who sat at his feet and learned from his teachings Yet her identity and ministry are as baffling to us as her sudden appearance in the Holy scriptures Mary of Magdala Out of Whom Came Seven Devils finally settles the current debate over Mary Magdalene s true relationship to the Savior The chapter From the Top to the Bottom describes what the Sanhedrin and the priests of the temple would have seen when at the point of Jesus death the Veil was ripped in two right before their eyes And clears up the misconception that the Ark of the Covenant was still existent at the time of Jesus Who Is My Mother provides much needed clarity as to why the natural brothers of Jesus refused to take possession of His Body after the crucifixion When Jesus appeared to Mary at the tomb the Bible says that she mistook Him for the gardener Lovers of Biblical mystery will gain great insight from the chapter Who Rolled Away the Stone in answer to the question of why Jesus was not recognizable when He arose from the dead Traditions of the Fathers will once and for all settle the question of Mary s painful past and how she came to be known as one of the most enviable of all of Jesus disciples *The Gospels of Mary* Marvin W. Meyer, Esther A. De Boer, 2009-09-15 Mary Magdalene Jesus s Closest Disciple Marvin Meyer one of the foremost scholars of the Gnostic Gospels translates and introduces the Gnostic and New Testament texts that together reveal the story and importance of Mary Magdalene includes new translations of the Gospels of Mary Thomas Philip and related texts about Mary Magdalene discloses with Esther A De Boer the long suppressed story of Mary s vital role in the life of Jesus and in the formative period after his crucifixion presents as authentically as possible the real Mary Magdalene **St. Mary Magdalene at the Sepulchre. A Retreat for Private Use** Saint Mary Magdalen, 1956

Mary Magdalene Maurice Maeterlinck, 1910 **Mary Magdalene, Bride in Exile** Margaret Starbird, 2005-08-16 An in depth investigation of the facts and mythology surrounding the historical Mary Magdalene Reveals new details about the life of the beloved of Jesus Illustrated with rare and unusual imagery depicting Mary s central role in Christianity By the author of the bestselling *The Woman with the Alabaster Jar* The controversy surrounding Mary Magdalene and her relationship to Jesus has gained widespread international interest since the publication of Dan Brown s novel *The Da Vinci Code* which

specifically cites Margaret Starbird's earlier works as a significant source. In *Mary Magdalene: Bride in Exile*, Starbird examines the many faces of Mary Magdalene from the historical woman who walked with Jesus in the villages of Judea to the mythic and symbolic Magdalene who is the archetype of the Sacred Feminine. Starbird reveals exciting new information about the woman who was the most intimate companion of Jesus and offers historical evidence that Mary was Jesus' forgotten bride. Expanding on the discussion of medieval art and lore introduced in her bestselling book *The Woman with the Alabaster Jar*, Starbird sifts through the layers of misidentification under which the story of the Lost Bride of Christ has been buried to reveal the slandered woman and the exiled feminine principle. She establishes the identity of the historical female disciple who was the favored first witness of the Resurrection and provides an interpretation of Mary's true role based on prophecy from the Hebrew scriptures and the testimony of the canonical gospels of Christianity. Balancing scholarly research with theological reflection, she takes readers deeper into the story and mythology of how Magdalene as the Bride embodies the soul's own journey in its eternal quest for reunion with the Divine.

The Gospel of Mary Esther A. de Boer, 2004-05-01

The Gospel of Mary the only known gospel that is named after a woman has aroused new interest in the figure of Mary Magdalene and the beginnings of Christianity. What was her impact and her message? What became of her and her ideas? This book examines the Gospel of Mary to discover what it reveals about Mary Magdalene and to determine the origin of its portrayal. It proposes a new perspective on matter and nature in the Gospel of Mary, suggesting that it is not to be categorized as a gnostic writing. Furthermore, the study argues that Mary's teaching in the Gospel of Mary is more closely related to the writings of Philo, the letters of Paul, and the Gospel of John than to the Nag Hammadi Codices. As such, the Gospel of Mary and its portrayal of Mary Magdalene cannot be seen as evidence of a specific gnostic esteem for Mary Magdalene but rather demonstrates the esteem of believers belonging to a broader Christian context.

The Quest For Mary Magdalene Michael Haag, 2016-03-17

Mary Magdalene is a larger figure than any text larger than the Bible or the Church she has taken on a life of her own. She has been portrayed as a penitent whore, a wealthy woman, Christ's wife, an adulteress, a symbol of the frailty of women, and an object of veneration. And to this day she remains a potent and mysterious figure. In the manner of a quest, this book follows Mary Magdalene through the centuries, explores how she has been reinterpreted for every age, and examines what she herself reveals about woman and man and the divine. It seeks the real Mary Magdalene in the New Testament and in the Gnostic gospels where she is extolled as the chief disciple of Christ. It investigates how and why the Church recast her as a fallen woman, traces her story through the Renaissance when she became a goddess of beauty and love, and looks at Mary Magdalene as the feminist icon she has become today.
