**Advent of the Savior** Stephen J. Binz, 2016-07-18 Advent is the

season in which we reread and relive the experience of ancient Israel as it longed for the coming of the Messiah. It is also a time to reflect on the infancy narratives of Jesus which have enriched the lives of believers through the centuries. As an extension of Israel's longing for the Messiah, the infancy accounts serve as overtures to the writings of the evangelists and stand as bridges connecting the Old and New Testaments. Advent of the Savior focuses on this connection of past to present so that we may deepen our longing for the Messiah's coming again and ask God in our own day to be Emmanuel, God with us. The infancy narratives of Matthew and Luke express the basic truths about the divine and human mystery of Jesus Christ. Advent of the Savior reminds us that it is through these truths that we are called to move from longing for our Savior to hope in his coming again.

The Aquarian Gospel of Jesus the Christ Levi H. Dowling, 2009-03-05. An extraordinary vision of unity among the world's historic faiths and a classic of New Age spirituality. Here is a hugely influential interpretation of the lost years of Jesus Christ from roughly the ages of twelve to thirty that are not covered in Scripture in which the Son of Man is seen to travel through the religious cultures of the East learning and preaching the unifying spiritual ethic behind all religions. The Aquarian Gospel of Jesus the Christ is a stirring and deeply involving vision that profoundly impacted the development of alternative spirituality in the early twentieth century and continues to touch readers today. Now the unabridged narrative of this powerful work drawn from one of its earliest volumes is redesigned for ease of reading in a handsome signature edition.
