Mary's Child:

Mary's Child Terese Ramin, 2011-07-15 Whose Child THAT S MY DAUGHTER Why did Joe have to return now Once Hallie had agreed to be a surrogate mother for her best friend and his wife But that was before Mary was killed and Joe left town Now Hallie was determined to keep her child After a year s absence bounty hunter Joe Martinez couldn t stop staring at the sight of Hallie cradling his child Watching her made him realize how beautiful and desirable this woman was And that he d loved her since they were knee high So how could he make her recognize they were meant to be a family Her secret their child

Mary's Child Alan Stoker Esq, Irene Carr, 2012-10-11 Set in the bustling shipbuilding community of Sunderland at a time of turmoil abroad and grinding poverty at home this is the unforgettable story of Chrissie Adopted at birth by caring parents she has a rosy childhood and is determined to work hard and succeed Until tragedy strikes throwing her on the mercy of a family where the new woman of the house has every intention of getting rid of her by whatever means it takes Penniless and desperate Chrissie struggles to support herself as the Victorian years give way to the outbreak of the Great War And hanging over the throughout her many ordeals is the mystery of her true parents and her connection with the likes of Jack Ballantyne heir to a local shipyard Whatever destiny throws her way Chrissie and Jack find their paths continue to cross

Mothers on the Margin? E. Anne Clements, 2014-05-01 The Gospel of Matthew opens with a patrilineal genealogy of Jesus that intriguingly includes five women Tamar Rahab Ruth she of Uriah and Mary In a gospel that has a strongly Jewish and male orientated outlook why are women incorporated In particular why include these four Old Testament women alongside Mary Rejecting traditional as well as feminist views Anne Clements undertakes a close literary reading of the narratives to discern how each woman is characterized and presented All are significant scriptural figures on the margins of Israelite society From this intertextual world established by Matthew Clements explores why Matthew may have named these women in the opening genealogy and what implications their inclusion may have for the ongoing gospel narrative Mothers on the Margin argues that Matthew s Gospel contains a counter narrative focused on women The presence of the five women in the genealogy indicates that the birth of the Messiah will bring about a crisis in Israel s identity in terms of ethnicity marginality and gender The women signal that Matthew s Gospel is concerned with the construal of a new identity for the people of God

The Poetics of Matthew 1 Timothy Lewis, 2023-01-20 The Poetics of Matthew 1 is about seeing what has not previously been seen in the first chapter of Matthew by explaining key literary patterns What is the reason for the five references to mothers in the Messiah s genealogy How can

the genealogy be called Jesus's lineage if it is not Jesus's biological lineage What kind of genesis is the Messiah's kind of genesis in verse 18 Why is Joseph labeled as righteous in verse 19 Why does verse 22 say This has all happened seemingly before it has all happened Questions such as these were not previously thought to have answers within the text The Poetics of Matthew 1 employs an underestimated method of answering text based questions with text based answers Inheritance Law And The Evolving Family Ralph Brashier,2008-11-20 How inheritance law has failed to recognize the modern family

Report of Her Majesty's Commissioners Appointed to Prepare a Body of Substantive Law for India, &c Great Britain. Her Majesty's Commissioners Appointed to Prepare a Body of Substantive Law for India,1863 Imagining Mary Daniel Rancour-Laferriere,2017-11-15 Imagining Mary breaks new ground in the long tradition of Christian mariology The book is an interdisciplinary investigation of some of the many Marys East and West from the New Testament Mary of Nazareth down to Our Lady of the Good Death in the twentieth century In Imagining Mary Professor Rancour Laferriere examines the mother of God in her multireligious and pan historical context The book is a scholarly study but it is written in a clear straightforward style and will be comprehensible to an educated and above all intellectually curious general audience It will appeal to anyone who has ever wondered for example about the flimsy scriptural basis of many beliefs about Mary or the tendency of many mariologists to depict Mary as an incestuous bride of Christ or the theological notion of Mary's loving consent to her son's crucifixion or the idea that Mary was a priest officiating at the sacrifice of her son or the unfortunate association of Mary with Christian anti semitism or the curious appeal of Mary to the terminally ill and so on Special attention is given to the psychology of representations of Mary such as the psychological basis for promoting Mary to the status of a goddess the psychology of Mary's compassion for her son at the foot of the cross and the psychological conflict in Mary's personal relationship with her son Jesus These topics are admittedly diverse but they all have long been on the minds of mariologists The author takes a questioning approach to received wisdom about marian themes including the assumption that one has to be a theist in order to understand the great appeal of Mary down the centuries Indeed Imagining Mary may be regarded as a first step in the direction of an atheist mariology First Report of Her Majesty's Commissioners Appointed to Prepare a Body of Substantive Law for India, &c Great Britain. Her Majesty's Commissioners Appointed to Prepare a Body of Substantive Law for India,1864 Crimes Against Children Stephen Murray Robertson,2005 In the first half of the twentieth century Americans intense concern with sex crimes against children led to a wave of public discussion legislative action and criminal prosecution Stephen Robertson provides the first large scale long term study of **Luke** Robert A.
