already looking for **The City** Dean Koontz,2014-07-01 No 1 New York Times bestselling author Dean Koontz is at the peak of his storytelling powers with this major new novel a rich multi layered story that moves back and forth across decades and generations as a gifted musician relates the terrible and wonderful events of his childhood in 1967 this is the story of a boy and a city Jonah Kirk s childhood has been punctuated by extraordinary moments like the time a generous stranger helped him realize his dream of learning the piano Nothing is more important to him than his family and friends and the electrifying power of music But now Jonah has a terrifying secret And it sets him on a collision course with a group of dangerous people who will change his life forever For one bright morning a single earth shattering event will show Jonah that in his city good is entwined with malice and sometimes the dark side of humanity triumphs But it will also teach him that courage and honour are found in the most unexpected places and the way forward lies buried deep inside the heart If he can just survive to find it A story of broken families race fathers sons love and hate and how these things can bubble in the cauldron of the city the most gripping thing I ve read in a long long time You sense you are reading a master still at the peak of his powers Matt Haig author of the Humans *What We Knew* Barbara Stewart,2015-07-14 When I was little I imagined a monster Scaly hands Pits for eyes When Tracy and her best friend Lisa were kids stories about a man a creep who exposes himself to little girls kept them out of the woods and in their own backyards But Tracy and Lisa aren t so little anymore and the man in the woods is nothing but a silly story Right But someone is in the woods Someone is watching And he knows all their secrets secrets they can t tell anyone not even each other Monsters don t exist Lisa s just being paranoid At least that s what Tracy thinks But when a disturbing gift confirms her worst fears it sets the girls on a dangerous journey that takes them beyond the edge of the woods They swiftly learn however that reality is more terrifying than the most chilling myth and what they find will test the bonds of friendship loyalty and love Once upon a time two girls were lost in the woods In Barbara s Stewart s *What We Knew* Tracy and Lisa can t destroy the evil they ll face but can they stop it from destroying each other

The Warning of the Ravens Raquel Villaamil,2017-10-09 Brigit returns to her city of birth in search of the only family she has her grandmother Of the few memories she has left little remains in the almost abandoned city of Ballymote Its streets houses and forests conceal mysteries which seem to go back in times when from legends rose something very real something monstrous Ancestral confrontations bitter rivalries and an uncertain future where Brigit must find all the replies look into her nightmares and discover the truth in a dark world which is no longer hers and is revealed within the shadows when the ravens warn Raquel Villaamil is able to actualize the Irish mythological legends in *The Warning of the Ravens* The formidable beings and races from the manuscripts of the XI century The Book of Invasions have their parallel among the characters of the XXI century which inhabit these pages A novel of mystery fantasy and action which secrets plunged into millenary legends and now approach its outcome where love and its pursuit transversely crossed the argument in order to end in an unexpected conclusion A book with gothic tinges and a touch of romanticism which catches you from the first page for its

originality its good narration because Brigit is a very peculiar heroine and the rhythm is frenetic from the beginning The warning of the ravens is one of the best Spanish novels of fantasy which I have read recently If you like this genre don't miss out on it
