Tales from the Other Side Hans Benjamin Marx, 2018-02-01 This book is about a unique story of survival and preserving love. There are millions of stories from the destruction of Jewish life in Europe to be told, sadly many never will. This story as seen through the eyes of a boy is about a family that remained in Germany and lived Jewish lives even during the worst times of Nazi rule.

I Keep Trying to Catch His Eye Ivan Maisel, 2021-10-26 In this deeply emotional memoir, a longtime ESPN writer reflects on the suicide of his son Max and delves into how their complicated relationship led him to see grief as love. In February 2015, Ivan Maisel received a call that would alter his life forever: his son Max's car had been found abandoned in a parking lot next to Lake Ontario. Two months later, Max's body would be found in the lake. There'd been no note or obvious indication that Max wanted to harm himself; he'd signed up for a year-long subscription to a dating service; he'd spent the day he disappeared doing photography work for school. And this uncertainty became part of his father's grief. *I Keep Trying to Catch His Eye* explores with grace, depth, and refinement the tragically transformative reality of losing a child. But it also tells the deeply human and deeply empathetic story of a father's relationship with his son, of its complications, and of Max and Ivan's struggle, as is the case for so many parents and their children, to connect. *I Keep Trying to Catch His Eye* is a stunning, poignant exploration of the father and son relationship of how our tendency to overlook men's mental health can have devastating consequences and how ultimately letting those who grieve do so openly and freely can lead to greater healing.

The Children's House of Belsen Hetty E. Verolme, 2013 During the Holocaust, the young Hetty was rounded up by the Nazis and sent for 14 long months to Belsen Concentration Camp. Hetty and her two little brothers were forcefully separated from their parents. This is her story: how she, as one of the eldest children, had to become the Little Mother, not only taking care of her two brothers but also forty young children living in Barrack 211, known as The Children's House of Belsen. At fourteen years old, an unimaginable task amidst the inhuman conditions of hunger, cold, sickness, death, and despair, she kept up her spirits. A truly remarkable story of a young girl's determination.

Diary of a Witness Catherine Ryan Hyde, 2009-08-25 One day something's going to snap. Ernie doesn't have a lot of friends at school. Just Will. They have stuff in common, like fishing. But more important, they have common enemies: the school jocks who seem to find bullying just another sport. For the most part, Ernie and Will take life at high school in stride. Until Will has one very bad day. Now nothing is remotely funny. Ernie finds himself a witness to loss, to humiliation, and to Will's anger, an anger that's building each and every moment. Ernie doesn't want to believe his best friend is changing, but he can't deny the truth. Soon he has a choice: join or die. Or can he find another way? Praise for *The Day I Killed James*: Teens who have experienced crushing rejection or who have laughed at the ardent feelings of a classmate will devour this original, gripping

story Kirkus Reviews **Going to the Tigers** Robert Cohen, 2022-08-16 In this funny and perceptive collection novelist and essayist Robert Cohen shares his thoughts on the writing process and then puts these prescriptions into practice from how to rant effectively as an essayist and novelist *The Piano Has Been Drinking* how to achieve your own style naming characters and creating them how one manages one's own identity with being a writer in time and space to the use of reference and allusion in one's work Cohen is a deft weaver of allusion himself In lieu of telling the reader how to master the elements of writing fiction he shows them through the work of the writers who most influenced his own development including Roth Ellison Kafka and Robinson Rooted in his own experiences this collection of essays shows readers how to use their influences and experiences to create bold personal and individual work While the first part of the book teaches writing the essays in the second part show how these elements come together **The Cap** Roman Frister, 2018-09-01 A Polish survivor's brutal and beautifully written Holocaust memoir The power of his portrayal of one man's instinct for survival cannot be denied The Boston Globe *The Cap* is an unconventional Holocaust memoir that defies all moral judgment and ventures into a soul blackened by the unforgiving cruelty of its surroundings Roman Frister's memoir of his life before during and after his imprisonment in the Nazi concentration camps sparked enormous controversy and became an international bestseller With bone chilling candor Frister illustrates how the impulse to live unhinges our comfortable notions of morality blurring the boundary between victim and oppressor and leaving absolutely no room for martyrdom By the time Roman Frister was sixteen he had watched his mother murdered by an SS officer and he had waited for his father to expire eager to retrieve a hidden half loaf of bread from beneath the dying man's cot When confronted with certain death he placed another inmate in harm's way to save himself Frister's resilience and instinct for self preservation developed in the camps become the source of his life's successes and failures Chilling and unsentimental *The Cap* is a rare and unadorned self portrait of a man willing to show all of his scars Reflected in stark relief are the indelible wounds of all twentieth century European Jews An exceptional and groundbreaking testimony Roman Frister's gut wrenching memoir is a must read Kirkus Reviews Staggering in its honesty Frister's courage to plumb the ambiguity of his actions leaves the reader awestruck Publishers Weekly starred review
