Mystery Of The Fjord Tide A Novel Of Sea Adventure Romance And Philosophy:

Mystery of Fjord Tide Mike Breslin, 2004-11 *Mystery of the Fjord Tide* is the sequel to Mike Breslin's *Found At Sea*. After having survived a run in with the mob, Henry Langston and Serene Bronte settle down to work at her family's resort in the Fijian islands. Henry is instrumental in saving the financially troubled hotel, but is a victim of his own success. Although deeply in love with Serene, he is beset with that unquenchable thirst for more that plagues most humans. How can he be unhappy living in paradise with the woman of his dreams? Thus begins a quest for spiritual harmony that takes them to Cape Cod where they purchase a restored Norwegian trawler and learn of the only spot on the oceans where there is no tide. This adventure explores the effects of tidal flow on human emotions, a time connection between the ancient Norse and the Mayans, a new method of increasing intelligence, the world's oldest human preserve, the price of revenge, and philosophical implications that lead to profound examinations of life. Breslin's third book in this series, **Riddle of the Atlantis Moon**, is underway.

Riddle of the Atlantis Moon Mike Breslin, 2008-05 *Riddle of the Atlantis Moon* follows in the wake of *Found at Sea* and *Mystery of the Fjord Tide* and concludes the modern sea adventure trilogy. Nate and Ingild begin to build the Institute for Harmonic Convergence on a remote Norwegian fjord where uniquely there are no tides. Through mental experiments, Boxer Ryan surfaces a memory about the Mayan moon calendar that he and his friends discovered in *Mystery of the Fjord Tide*, which reveals hidden clues about the mystery of Atlantis and its relation to the dark history of Africa and Central America. Henry and Serene discover pieces of the puzzle in Greece, but it takes an eccentric academic of ancient languages to set the Lokias sails on a voyage of adventure. As the crew unravels the riddle, we learn the story of what happened to the people of Atlantis in 1500 BC, while a New Jersey mobster and a rogue Irish Republican Army leader unleash a conspiracy of hatred and revenge. All is resolved through the convergence of learning, understanding, and self-discovery, the ultimate safe harbor.

Found at Sea Mike Breslin, 2003-08-05. An Old Fashioned Sea Adventure with Modern Romantic and Philosophical Overtones. A filmmaker Kevin McCall is lost in life. Faced with the tragic death of his wife, depression, and mid-life crisis, he liquidates his assets and in desperation takes a berth as an ordinary seaman on a container ship. Just as his creative spirit begins to revive, he is blown overboard in a Pacific typhoon and is saved by a floating container. What he finds inside that container both saves his life and endangers it, tests his manhood, explores the ancient legends of Polynesia, changes his identity, challenges his creativity, leads to true love with a princess, nearly kills him, revives

his lust for life and finally gives him the peace joy and philosophical understanding that only self discovery can reveal All this and more are in Found at Sea The adventure continues in the sequel Mystery of the Fjord Tide Beyond the Fog (The Charmed Fjords Book 1): A Romantic Fantasy Adventure Marina Surzhevskaya,2021-07-13 For centuries the civilized hi tech world of the Confederation has existed alongside the uncharted lands where no man has ever trodden before An impermeable magic wall of Great Fog conceals mysterious fjords inhabited by what is believed to be savage barbarians But are they The first Confederate expedition heads for the charmed fjords bent on finding out their true nature Olivia Orway joins it as a young talented anthropologist trying to put the secret of her tragic past behind her What she discovers beyond the magic wall of fog is an incredible world of lakes and cliffs inhabited by the ilgs a race whose origins are shrouded in mystery Olivia is about to learn the secrets of this lost part of the world She s going to meet Sverr the Lord of the Fjords and what she s about to discover is going to forever change her perspective making her a different person One of the most striking romantic fantasy bestsellers now available in English This book makes part of The Charmed Fjords series Each novel introduces new main characters unveiling more mysteries of the world beyond the Great Fog Beyond the Fog is a standalone novel with a completely self contained plot set in the author s fantasy world The Mystery of the Sea; a Novel Bram Stoker,2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1902 edition Excerpt the inside there were two iron handles let into the stone for the purpose I cannot say I was at ease in my mind I was however determined to go on and with a prayer to God for protection and a loving thought of Marjory I went on my way The passage was doubtless of natural origin for it was evident that the seams in the rock were much like those on the coast where the strata of different geological formations joined Art had however improved the place wonderfully Where the top had come too low it had been quarried away the remnants still lay adjacent where the cave broadened out The floor where the slope was steep was cut into rough steps Altogether there were signs of much labour in the making of the passage As I went down I kept an eye on the compass whenever I came to a turn so that might have a rough idea of the direction in which I was going In the main the road with counterbalancing curves and angles led straight down When I had got to what I considered must be half way allowing for the astounding magnitude which seems to be the characterisation of even a short way under ground the passage forked and at a steep angle another passage lower and less altered than that along which had come turned away to the left Going a few feet up it I could hear the sound of running water This was evidently the passage to the reservoir CHAPTER XXXI MARJORY S ADVENTURE As I felt that time in which I had the passage all to myself was precious I turned back to the main way down The path was very steep and low and the rock underfoot was cut in rude steps as I held the lantern before me I had to droop it so that I could smell the hot metal where the flame touched the back It was indeed a steep and difficult way made The Mystery of the Sea Bram Stoker,1914
