British India's Relations with the Kingdom of Nepal, 1857-1947

Asad Husain,2023-05-03 British India s Relations with the Kingdom of Nepal 1970 uses original documents and confidential papers never before available to examine the relations between Nepal and British India from 1857 to 1947 Though relations between the two countries were generally friendly they occasionally clashed when Nepal felt that its independence and indigenous way of life was threatened Although Nepal customarily followed policies which appeared to be harmonious with those of Great Britain Professor Husain shows that its policies were usually based on self interest and contrary to traditional thinking Nepal was a nation largely independent of British control **Nepal** Toni Hagen,1970 *Nepal* Toni Hagen,1961

Nationalism and Ethnicity in a Hindu Kingdom D. Gellner,J. Pfaff-Czarnecka,J. Whelpton,2012-12-06 With its systematic coverage of different groups this book demonstrates how similar trends of ethnic formation are affecting all parts of Nepal Yet within the boundaries of a single culturally diverse state very different forms of ethnicity have emerged This is a truly thematic collection with a well defined focus on the important contemporary topics of ethnic identity and nationalism The importance of the theme is self evident in a world attempting to come to grips with such problems in virtually all modern states Anyone with an interest in contemporary Nepal should study this volume Nepal is the only officially Hindu kingdom in the world and remains so in spite of a revolution or people s movement in 1990 which overthrew the partyless Panchayat regime and instituted a multiparty constitutional monarchy Since November 1994 it has also had an elected Communist government the first of its kind in South Asia This volume takes a long term view of the various processes of ethnic and national development that have been displayed both before and after 1990 It brings together twelve carefully chosen ethnographic and historical chapters covering all of the major ethnic groups and regions of Nepal The Kingdom of Nepal
