Juan de la Cruz composed a series of narrative poems inspired by the Biblical Song of Songs and the story goes a popular love song overheard from his cramped cell that take God as the beloved Erotically charged initially scandalous his mystical poetry engages with the journey of the soul through the darkest trenches of suffering and despair toward an enlightened spiritual connection with God For hundreds of years these poems have resonated deeply with those who search for meaning in the dark and have influenced generations of poets artists and philosophers This bilingual edition of the Complete Poems including Dark Night and both the Sanl car and Ja n manuscripts of Spiritual Canticle presents an intimate and exceptionally collaborative new translation from Mar a Baranda and Paul Hoover Baranda one of the most distinguished Mexican poets of her generation lends her deft hand with expansive meditative poetry Hoover the accomplished American poet editor and translator offers his dexterity with form and the possibilities of language The product is uniquely faithful to image and idea and loyal to the ecstatic lyricism of this canonical text A volume that hums with the soul s longing to find solace The Complete Poems of San Juan de la Cruz is a collection to be treasured *The Poetry of John Berryman* Gary Q. Arpin,1978

John Berryman John Haffenden,1980-05-15 The poetry of John Berryman occupies an incomparable place in modern American literature This study traces the composition of the major poems and interprets Berryman s characteristic trials and his imaginative triumphs In Homage to Mistress Bradstreet which Edmund Wilson called the most distinguished long poem by an American since The Waste Land Berryman set himself enormous problems of theme and form and overcame them with the vigorous and exciting craft that is described in this book He transformed his personal concerns and historical interests into a fully achieved artistic unity a poem which succeeds both as lyric and as drama Similarly in forging the thirteen year epic of The Dream Songs the tragical history of Henry as the poet himself called it Berryman resolutely confronted chosen models such as Don Quixote and The Iliad and eventually realised his own design and a unique poetic voice I set up the Bradstreet poem as an attack on The WasteLand Berryman said in his National Book Award Acceptance Speech I set up The Dream Songs as hostile to every visible tendency in both American and English poetry The aim was the same in both poems the reproduction or invention of the motions of a human personality free and determined in one case feminine in the other masculine A chief feature of this study is the remarkably extensive use John Haffenden has made of primary research materials manuscript drafts notes marginalia diary entries and letters all of which are printed here for the first time to illuminate and explain the poems This book is both a critical analysis of Berryman s mature works and an internal narrative of the poet s struggles and success It includes comprehensive notes and commentary on The Dream Songs and on Delusions Etc as well as an authoritative discussion and assesment of Love Fame **Dream Song** Paul Mariani,2016-03-07 Dream Song is the story of John Berryman one of the most gifted poets of a generation that included Elizabeth Bishop Randall Jarrell Robert Lowell and Dylan Thomas Using Berryman s unpublished letters and poetry as well as interviews with those who knew him intimately Paul Mariani captures Berryman s genius and the tragedy that dogged him while at the same time

illuminating one of the most provocative periods in American letters Here we witness Berryman's struggles with alcohol and drugs his obsession with women and fame and his friendships with luminary writers of the century Mariani creates an unforgettable portrait of a poet who by the time of his suicide at age fifty seven had won a Pulitzer Prize and a National Book Award
