writing no named individuals no recorded deeds This means that its history is almost entirely that of the ordinary individual
the hunger gatherer farmer or metallurgist rather than the king Evidence of privileged elites and material splendor is not
lacking however The skills and expertise of prehistoric Europeans were often employed in the production of exquisite jewelry
elaborately woven cloth beautifully made tools and finely wrought weapons Though the palaces that have attracted
excavators in other lands are absent there are few monuments elsewhere in the world to rival Europe s massive megalithic
tombs or great stone circles And though individuals preserve their anonymity and many of their secrets modern technology
has made it possible to reveal parts of their life history in astonishing detail Handbook to Life in Prehistoric Europe gathers
the results of recent archaeological discoveries and scholarly research into a single accessible volume Organized thematically
the handbook covers all aspects of life in prehistoric Europe including the geography of the continent settlement trade and
transport industry and crafts religion death and burial warfare language the arts and more Complemented with more than 75
illustrations and maps the result is a fascinating introduction to the 7 000 year period that immediately preceded the Roman

Konstam,2003 The remarkable Celtic culture once encompassed most of western Europe even after centuries of invasion and
conquest it flourished in remote corners of the continent This book is a beautifully illustrated survey of Celtic society its
history and belief from its origins to the present day Historical Atlas of the Celtic World traces the development of Celtic
religion and mythology and describes the flowering of their unique metalwork sculpture and illumination The book draws on
this superb legacy and interweaves it with a scholarly examination of Celtic culture landscape and history ending in the
Celtic revival of the past century Millions claim a Celtic ancestry and are fascinated by the unique culture of their
predecessors This exquisitely illustrated book provides an expertly crafted view into the Celtic past while emphasising the
relevance of Celtic culture and identity today **Carn** ,2000
