were extremely rapid seventy percent of the new workers were beaten to death in the first three days This was also the reason why everyone ignored Wu La s desire to wait until three days to discuss the matter saying anything now was just a waste of breath And obviously Wu La would be beaten to death on the first day The workers also didn t know why Wu La still had a mortal body after ascending but since he was able to ascend he must have been an outstanding person in the previous world Falling to the Jade Iron Forest was already extremely tragic being beaten to death on the first day was even more tragic
