Has Hollywood Lost Its Mind? Chris Hicks, 2013-05-01 The wire thin line that separates movies rated PG and R has been crossed over so many times in both directions that industry observers are questioning whether the rating system carries any validity at all As a movie reviewer for more than thirty years and as a watchful caretaker parent author Chris Hicks learned pretty quickly that Hollywood movers and shakers like to push the envelope as they put it and it doesn't seem to matter whether it's a children's film or an adult movie It's not just R rated movies that are troubling PG 13s and even PGs can also be problematic And sometimes worse than problematic Simply put relying on the Motion Picture Association of America to make choices for you or your children is a mistake Breaking down the history of the film rating system and exploring today's ratings confusion and quagmire Hicks provides valuable information to help parents know how to interpret and what to expect from today's movies

Teen Film Catherine Driscoll, 2011-06-01 What makes a film a teen film And why when it represents such powerful and enduring ideas about youth and adolescence is teen film usually viewed as culturally insignificant Teen film is usually discussed as a representation of the changing American teenager highlighting the institutions of high school and the nuclear family and experiments in sexual development and identity formation But not

every film featuring these components is a teen film and not every teen film is American Arguing that teen film is always a story about becoming a citizen and a subject Teen Film presents a new history of the genre surveys the existing body of scholarship and introduces key critical tools for discussing teen film Surveying a wide range of films including The Wild One Heathers Akira and Donnie Darko the book's central focus is on what kind of adolescence teen film represents and on teen film's capacity to produce new and influential images of adolescence
