**The Rolls and Register of Bishop Oliver Sutton, 1280-1299** Catholic Church. Diocese of Lincoln (England). Bishop (1280-1299 : Sutton),1948      **Power, Politics and Episcopal Authority** Angelo Silvestri,2014-11-24 It is impossible to completely understand the history of the medieval church without understanding how bishops control was exercised in the diocese and in the city This book assesses the differences shifts and changes in the power of the bishop in the cities and the dioceses of Lincoln and Cremona from the middle of the 11th century to the mid 14th century Lincoln with the biggest medieval diocese in England and with its unique series of bishops such as Hugh of Wells Hugh of Avalon Ro      *The Nobility and Ecclesiastical Patronage in Thirteenth-century England* Elizabeth Gemmill,2013 While there has been work on the nobility as patrons of monasteries this is the first real study of them as patrons of parish churches and is thus the first study to tackle the subject as a whole Illustrated with a wealth of detail it will become an indispensable work of reference for those interested in lay patronage and the Church more generally in the middle ages Professor David Carpenter Department of History King s College London This book provides the first full length integrated study of the ecclesiastical patronage rights of the nobility in medieval England It examines the nature and extent of these rights how they were used why and for whom they were valuable what challenges lay patrons faced and how they looked to the future in making gifts to the Church It takes as its focus the thirteenth century a critical period for the survival and development of these rights being a time of ambitious Church reform of great change in patterns of land ownership in the ranks of the higher nobility and of bold assertion by the English Crown of its claims to control Church property The thirteenth century also saw a proliferation of record keeping on the part of kings bishops and nobility and the author uses new evidence from a range of documentary sources to explore the nature of the relationships between the English nobility the Church and its clergy a relationship in which patronage was the essential feature Dr Elizabeth Gemmill is University Lecturer in Local History and Fellow of Kellogg College University of Oxford      **Joan de Valence** Linda E. Mitchell,2016-01-26 Heir to an earldom and wife and widow of William de Valence half brother of King Henry III Joan de Valence was an important actor in the volatile political world of thirteenth century England Wales Scotland and Ireland Yet astonishingly her story of survival perseverance and influence has never been told until now Joan de Valence The Life and Influence of a Thirteenth Century Noblewoman draws on archival research as well as tools of historical analysis and gender studies to peel back the layers of this remarkable noblewoman s life From her survival of the wars between king and baronage at mid century to her life as a widow and magnate of the realm the story of Joan de Valence as Mitchell argues exemplifies the range of experiences of noblewomen during the middle ages      **The Knights Templars in England** Thomas W. Parker,2021-09-14      聖地牙哥,2021-12-01      *Bishops, Clerks, and Diocesan Governance in Thirteenth-Century England* Michael Burger,2012-10-22 This book investigates how bishops deployed reward and punishment to control their administrative subordinates in thirteenth century England Bishops

had few effective avenues available to them for disciplining their clerks and rarely pursued them preferring to secure their service and loyalty through rewards The chief reward was the benefice often granted for life Episcopal administrators security of tenure in these benefices however made them free agents allowing them to transfer from diocese to diocese or even leave administration altogether they did not constitute a standing episcopal civil service This tenuous bureaucratic relationship made the personal relationship between bishop and clerk more important Ultimately many bishops communicated in terms of friendship with their administrators who responded with expressions of devotion Michael Burger s study brings together ecclesiastical social legal and cultural history producing the first synoptic study of thirteenth century English diocesan administration in decades His research provides an ecclesiastical counterpoint to numerous studies of bastard feudalism in secular contexts      **The Franciscans in the Medieval Custody of York** Michael J. P. Robson,1997

Christian Culture and Society in Later Catholic England ,2024-08-05 This book in memory of F Donald Logan explores different aspects of Christian culture and society in England from the twelfth to the sixteenth century Although this period has traditionally been interpreted in terms of decline and decay this excessively gloomy picture has slowly given way over the last eighty years or so to a more positive view of Christian civilization during these centuries The twenty two studies brought together here seek to build on this ongoing reassessment of Later Catholic England especially in those areas in which Professor Logan himself had done so much to deepen our understanding of Christian English society Contributors are Travis Baker Caroline Barron Nicholas Bennett Barbara Bombi Paul Brand Janet Burton James G Clark Karen Corsano Virginia Davis Charles Donahue Jr Anne J Duggan Joan Greatrex Diana Greenway Michael Haren R H Helmholtz Philippa Hoskin Henry Ansgar Kelly Frederik Pedersen Seymour Phillips Michael J P Robson Jens R hrkasten Jane Sayers R N Swanson Daniel Williman and Patrick Zutshi      Leadership in Medieval English Nunneries Valerie Spear,2005 Examination of the role of the convent superior in the middle ages underlining the amount of power and responsibility at her command      **English**

**University Life in the Middle Ages** Alan B Cobban,2022-02-22 First Published in 1999 This work presents a composite view of medieval English university life The author offers detailed insights into the social and economic conditions of the lives of students their teaching masters and fellows The experiences of college benefactors women and university servants are also examined demonstrating the vibrancy they brought to university life The second half of the book is concerned with the complex methods of teaching and learning the regime of studies taught the relationship between the universities in Oxford and Cambridge as well as the relationship between town and gown      *Madness in Medieval Law and Custom* ,2010-09-24 This collection of essays opens a new discussion about the mind body and spirit of the mad in medieval Europe The authors examine a broad spectrum of mental and emotional issues which medieval authors point out as unusual behavior With the emerging field of medieval disability studies in mind the authors have carefully considered legal and cultural descriptions for insight into the perception and understanding of mental impairment These essays on madness in the Middle Ages elucidate

how medieval society conceptualized mental afflictions Individually the essays cover aspects of mental impairment from a variety of angles to unearth collectively medieval perspectives on mental affliction Contributors are James R King Kate McGrath Irina Metzler Aleksandra Pfau Cory James Rushton Margaret Trenchard Smith and Wendy J Turner      **The Proceedings Against the Templars in the British Isles** ,2018-04-20 In October 1307 all the brothers of the military religious Order of the Temple in France were arrested on the instructions of King Philip IV and charged with heresy In November Pope Clement V instructed King Edward II of England to do likewise This volume provide the first full translation of the four surviving texts of the trial proceedings that followed in Britain and Ireland complementing the edition published in volume 1 The trial of the Templars was the first major heresy trial in the British Isles and the proceedings reveal the Episcopate s attempts to deal with this unprecedented situation the varying procedures followed in different countries and how testimonies were recorded and summarised for the Church Councils which eventually decided the fate of the Order of the Temple The testimonies given during the trial contain a wealth of information about religious beliefs among the lay population of the British Isles both the Templars and outsiders who gave evidence during the trial national and international mobility of lay religious the social function of the order of the Temple in the British Isles and its relations with society at large and the organisation and operations of the Order of the Temple at a local national and international level Detailed introductions to each volume describe the manuscripts and how the material was compiled and arranged and discuss the course of the proceedings and the value of the evidence they contain Appendices in this volume also list the names of all the Templars mentioned during the proceedings Templar houses and the locations of the proceedings in London      **Bishop Robert Grosseteste and Lincoln Cathedral** JohnShannon Hendrix,2017-07-05 Bishop Robert Grosseteste and Lincoln Cathedral is an in depth investigation of Grosseteste s relationship to the medieval cathedral at Lincoln and the surrounding city This book will contribute to the understanding of Gothic architecture in early thirteenth century England most specifically how forms and spaces were conceived in relation to the cultural religious and political life of the period The architecture and topography of Lincoln Cathedral are examined in their cultural contexts in relation to scholastic philosophy science and cosmology and medieval ideas about light and geometry as highlighted in the writings of Robert Grosseteste Bishop of Lincoln Cathedral 1235-53 At the same time the architecture of the cathedral is considered in relation to the roles of the clergy and masons the policies of the bishop matters of governance worship and education ecclesiastical hierarchy church liturgy politics and processions The book explores Grosseteste s ideas in the broader context of medieval and Renaissance cosmologies optics perspective natural philosophy and experimental science and considers historical precedents in regard to religious political and symbolic influences on church building The contributors to this volume make an important contribution to our current understanding of the relation between architecture theology politics and society during the Middle Ages and how religious spaces were conceived and experienced      *Acre and Its Falls* ,2018-05-01 In the crusader

period Acre was in many ways a remarkable place but the most striking thing about its history is the number of times it fell to enemies The present volume Acre and Its Falls is unusual in that it analyses a wide range of aspects of the history of Acre across the crusader period combining political military and cultural history with a notable emphasis on the memory of the city in Europe This may have been a city famous for its falls but most certainly not for them alone Contributors are Adrian J Boas Charles W Connell Paul F Crawford Susan B Edgington Marie Luise Favreau Lilie John France Anna Gilmour Bryson John D Hosler Georg Philipp Melloni Janus M ller Jensen J Rubin and Iris Shagrir

**The Impact of the European Reformation** Ole Peter Grell, 2017-05-15 Recent decades have witnessed the fragmentation of Reformation studies with high level research confined within specific geographical confessional or chronological boundaries By bringing together scholars working on a wide variety of topics this volume counteracts this centrifugal trend and provides a broad perspective on the impact of the European reformation The essays present new research from historians of politics of the church and of belief Their geographical scope ranges from Scotland and England via France and Germany to Transylvania and their chronological span from the 1520s to the 1690s Considering the impact of the Reformation on political culture and examining the relationship between rulers and ruled the book also examines the church and its personnel another sphere of life that was entirely transformed by the Reformation Important aspects of knowledge and belief are discussed in terms of scientific knowledge and technological progress juxtaposed with analyses of elite and popular belief which demonstrates the limitations of Weber s notion of the disenchantment of the world Together they indicate the diverse directions in which Reformation scholarship is now moving while reminding us of the need to understand particular developments within a broader European context demonstrating that movements for religious reform left no sphere of European life untouched
