Charleston (S.C.),1802 **The University** Kenyon B. De Greene,2008-04-26 The twenty first century is lurching chaotically into a perilous and uncertain future Once vibrant and creative the University now large anachronistic and bureaucratic has all but exhausted its capabilities to respond to challenges and threats from within and without Years of hypocrisy and power politics have taken their toll on the would be second Caltech Now everything is going wrong A cynical attempt to fire a popular young teacher Alistair Higham explodes as students parents alumni and the professors professional organization come to the aid of the teacher Investigation by the professional organization brings other injustices to light It seems likely that the University will be censored and will lose its accreditation The neighborhood around the University rises in protest over the latter s ham handed attempt to have a block of lower middle class houses razed to make room for a parking lot Tight connections with industry make the University a partner in dumping toxic wastes in poor Mexican American neighborhoods and in mining in mountain wildernesses Eventually a crafty liaison with the oil industry comes to a head as the University is revealed to be an indirect participant in genocide in Quetzalgalpa a remote and war ravaged Central American country

Dictionary on Historical Principles J. Murray,1910 *Spiffies and Loonies* Jean-Paul G. POTET,2019-07 *Spiffies and Loonies* is a situational comedy developed into 88 episodes It departs from the typical ones in which the plot hinges on the emotional and irrational decisions made by the lead characters The opposite happens here First of all Brad and Dolly meet fall in love and marry To make things worse they become rich after a few episodes They are therefore geared to lead the eventless life of the happy few Fortunately they are surrounded by misfits warped by one big deviant trait When these do not bump into Brad and Dolly along the way they will come and knock on their door thus a turmoil of events running from the amusing to the fantastic with a lot of absurdities in between You will soon be captivated by the antics of these cartoon like characters and will ask for more Several passages are spoofs of literary works Each episode is independent enough from the others to be read or performed for its own sake *Recreation Experiences for the Severely Impaired Or Non-ambulatory Child* Susan P.
