Roman Coins And Public Life Under The Empire

Danijel Dzino, Ken Parry

Roman Coins And Public Life Under The Empire:

Roman Coins and Public Life Under the Empire George M. Paul, 1999 Opens windows into imperial policy and artistic taste

Religion and Society in Roman Palestine Douglas R. Edwards, 2004-08-05 A collection of papers focussing on the contributions made by archaeology to the understanding of society in Palestine in the Roman period The papers enable the two ways of evidence to interact in an unprecedented way

Coining Images of Power Erika Manders, 2012-01-06 Current scholarship on Roman imperial representation addresses both the ways in which individual rulers presented themselves to their subjects and how particular aspects of imperial representation developed over time This book combines these two approaches It examines the diachronic development of the representation of Roman imperial power as a whole in one medium over a longer period of time Through a quantitative and qualitative analysis of coin types issued between A D 193 and 284 patterns in the representation of third century Roman emperors on imperial coinage are made visible The result is a new perspective on the development of imperial ideology in times of crisis

Paul's 'Spirit of Adoption' in its Roman Imperial Context Robert Brian Lewis, 2016-01-28 Robert Lewis examines Paul's use of the phrase Spirit of Adoption in Romans 8 12 17 against the background of its Roman Imperial context in order to shed light on interpretation of Paul's Letter to the Romans Whereas other scholars have explored what Paul may have meant when he uses the term adoption Lewis instead explores the reasons behind Paul's coupling of it with the term spirit Having examined theories for a possible Jewish antecedent for Paul's use of this phrase and found them less than persuasive Lewis unlocks the data within the term's Roman Imperial context that significantly clarifies what Paul means when he uses the phrase Spirit of adoption Lewis shows that when Paul wrote his letter to the Romans adoption had become a feature of Imperial succession Roman religion gave a great deal of prominence to the Roman family spirit the genius The Emperor's genius became identified as a deity in Roman religion and its veneration was widespread in Rome as well as the provinces When Romans 8 12 17 is read against this background a very different kind of exegetical picture emerges

Leading the Roman Army Jonathan Mark Eaton, 2020-07-30 The Roman imperial army represented one of the main factors in the exercise of political control by the emperors The effective political management of the army was essential for maintaining the safety and well being of the empire as a whole This book analyses the means by which emperors controlled their soldiers and sustained their allegiance from the battle of Actium in 31 BC to the demise of the Severan dynasty in AD 235 Recent discoveries have revolutionized our understanding of the Roman army This study provides an up to date synthesis of a range of evidence from archaeological epigraphic literary and numismatic sources on the relationship between the emperor and his soldiers It demonstrates that this relationship was of an intensely personal nature He was not only the commander in chief but also their patron and benefactor even after their discharge from military service Yet the management of the army was more complex than this emperor soldier relationship suggests An effective army requires an adequate military hierarchy to impose

discipline and command the troops on a daily basis This was of particular relevance for the imperial army which was mainly dispersed along the frontiers of the empire effectively in a series of separate armies The emperor needed to ensure the loyalty of his officers by building mutually beneficial relationships with them In this way the imperial army became a complex network of interlocking ties of loyalty which protected the emperor from military subversion *Byzantium, Its Neighbours and Its Cultures* Danijel Dzino, Ken Parry, 2014-01-01 Byzantium was one of the longest lasting empires in history Throughout the millennium of its existence the empire showed its capability to change and develop under very different historical circumstances This remarkable resilience would have been impossible to achieve without the formation of a lasting imperial culture and a strong imperial ideological infrastructure Imperial culture and ideology required among other things to sort out who was insider and who was outsider and develop ways to define and describe ones neighbours and interact with them There is an indefinite number of possibilities for the exploration of relationships between Byzantium and its neighbours The essays in this collection focus on several interconnected clusters of topics and shared research interests such as the place of neighbours in the context of the empire and imperial ideology the transfer of knowledge with neighbours the Byzantine perception of their neighbours and the political relationship and or the conflict with neighbours **Emperors and Ancestors** Olivier Hekster, 2015 Ancestry played a continuous role in the construction and portrayal of Roman emperors in the first three centuries AD *Emperors and Ancestors* is the first systematic analysis of the different ways in which imperial lineage was represented in the various media through which images of emperors could be transmitted Looking beyond individual rulers Hekster evaluates evidence over an extended period of time and differentiates between various types of sources such as inscriptions sculpture architecture literary text and particularly central coinage which forms the most convenient source material for a modern reconstruction of Roman representations over a prolonged period of time The volume explores how the different media in use sent out different messages The importance of local notions and traditions in the choice of local representations of imperial ancestry are emphasized revealing that there was no monopoly on image forming by the Roman centre and far less interaction between central and local imagery than is commonly held Imperial ancestry is defined through various parallel developments at Rome and in the provinces Some messages resonated outside the centre but only when they were made explicit and fitted local practice and the discourse of the medium The construction of imperial ancestry was constrained by the local expectations of how a ruler should present himself and standardization over time of the images and languages that could be employed in the media at imperial disposal Roman emperors are therefore shown to be a constant process of construction within genres of communication representation and public symbolism

Antioch in Syria Kristina M. Neumann, 2021-09-02 Antioch in Syria critically reassesses this ancient city from its Seleucid foundation into Late Antiquity Although Antioch's prominence is famous Kristina M Neumann newly exposes the gradations of imperial power and local agency mediated within its walls through a comprehensive study of the coins minted

there and excavated throughout the Mediterranean and Middle East Patterns revealed through digital mapping and Exploratory Data Analysis serve as a significant index of spatial politics and the policies of the different authorities making use of the city Evaluating the coins against other historical material reveals that Antioch's status was not fixed nor the people passive pawns for external powers Instead as imperial governments capitalised upon Antioch's location and amenities the citizens developed in their own distinct identities and agency Antioch of the Antiochians must therefore be elevated from traditional narratives and static characterisations being studied and celebrated for the dynamic polis it was Nero J. F. Drinkwater, 2019-01-03 Nero was negligent not tyrannical This allowed others to rule remarkably well in his name until his negligence became insupportable The Emperor Commodus Geoff W. Adams, 2013 This work establishes the various perspectives surrounding and emanating from the Roman Emperor Commodus Included are an in depth analysis of his major influences as a child youth particularly in relation to his family as well as a discussion of the influences that had occurred in Rome and while in the provinces despite the frequent denial of any positive attributes towards him within the works of many late Republican authors Adams analyses the progression of influences and events throughout the life of the infamous emperor in order to clearly establish Commodus perspectives about not only the Principate but also how his role within Roman society was clearly influenced by the ideals of his more well received predecessors the Five Good Emperors Edward Gibbon It is intended that this work will not only appeal to an academic audience but also interested students and laymen who have an interest in one of the most intriguing and infamous characters of the Ancient World *The Image of Political Power in the Reign of Nerva, AD 96-98* Nathan T. Elkins, 2017-07-03 At age 65 Nerva assumed the role of emperor of Rome just sixteen months later his reign ended with his death Nerva's short reign robbed his regime of the opportunity for the emperor's imperial image to be defined in building or monumental art leaving seemingly little for the art historian or archaeologist to consider In view of this paucity studies of Nerva primarily focus on the historical circumstances governing his reign with respect to the few relevant literary sources *The Image of Political Power in the Reign of Nerva AD 96-98* by contrast takes the entire imperial coinage program issued by the mint of Rome to examine the self representation and by extension the policies and ideals of Nerva's regime The brevity of Nerva's reign and the problems of retrospection caused by privileging posthumous literary sources make coinage one of the only ways of reconstructing anything of his image and ideology as it was disseminated and developed at the end of the first century during the emperor's lifetime The iconography of this coinage and the popularity and spread of different iconographic types as determined by study of hoards and finds and as targeted towards different ancient constituencies offers a more positive take on a little studied emperor Across three chapters Elkins traces the different reverse types and how they would have resonated with their intended audiences concluding with an examination of the parallels between text and coin iconography with previous and subsequent emperors *The Image of Political Power in the Reign of Nerva AD 96-98* thus offers significant new perspectives on the agents behind

the selection and formulation of iconography in the late first and early second century showing how coinage can act as a visual panegyric similar to contemporary laudatory texts by tapping into how the inner circle of Nerva's regime wished the emperor to be seen

The Many Faces of Herod the Great Adam Kolman Marshak, 2015-04-22 An old bloodthirsty tyrant hears from a group of Magi about the birth of the Messiah king of the Jews. He vengefully sends his soldiers to Bethlehem with orders to kill all of the baby boys in the town in order to preserve his own throne. For most of the Western world this is Herod the Great, an icon of cruelty and evil, the epitome of a tyrant. Adam Kolman Marshak portrays Herod the Great quite differently, however, carefully drawing on historical, archaeological and literary sources. Marshak shows how Herod successfully ruled over his turbulent kingdom by skillfully interacting with his various audiences: Roman, Hellenistic and Judaeans in myriad ways. Herod was indeed a master in political self-presentation. Marshak's fascinating account chronicles how Herod moved from the bankrupt usurper he was at the beginning of his reign to a wealthy and powerful king who founded a dynasty and brought ancient Judaea to its greatest prominence and prosperity

Architectural Restoration and Heritage in Imperial Rome Christopher Siwicki, 2020 Challenging the idea that heritage is a purely modern phenomenon, this volume addresses how historic buildings were treated in Imperial Rome, examining the way in which the ancients restored the monuments they inherited from earlier generations and developing our understanding of the Roman concept of built heritage

The Ludi Saeculares of Septimius Severus Jussi Rantala, 2017-02-24 Septimius Severus emerged victorious from the civil war of AD 193; he was not part of the traditional political elite but instead a military commander from Africa with a Syrian princess as his wife. To garner popular support and to legitimise his power, Severus conducted an intensive propaganda campaign. This is the first monograph to examine the *Secular Games* (*ludi saeculares*), the magnificent festival which celebrated Septimius Severus as a bringer of peace and prosperity and which also symbolised a new imperial ideology based on autocracy rather than the Antonine ideal of co-operation between ruler and Senate

Visualizing Harbours in the Classical World Federico Ugolini, 2020-05-14 In recent years there has been intense debate about the reality behind the depiction of maritime cityscapes, especially harbours. *Visualizing Harbours in the Classical World* argues that the available textual and iconographic evidence supports the argument that these representations have a symbolic rather than literal meaning and message and moreover that the traditional view that all these media represent the reality of the contemporary cityscapes is often unrealistic. Bridging the gap between archaeological sciences and the humanities, it ably integrates iconographic materials, epigraphic sources, history and archaeology along with visual culture. Focusing on three main ancient ports: Alexandria, Rome and Leptis Magna, Federico Ugolini considers a range of issues around harbour iconography from the triumphal imagery of monumental harbours and the symbolism of harbour images, their identification across the Mediterranean and their symbolic ideological and propagandistic messages to the ways in which aspects of Imperial authority and control over the seas were expressed in the iconography of the Julio-Claudian, Trajan and Severan

periods how they reflected the reputational growth and power of the mercantile class during the Imperial era and how the use of imagery reflected euergetism and paideia which would inform the Roman audience about who had power over the sea

Israel Numismatic Research Israel Numismatic Society, 2017-12-31 **The Roman Emperor Gaius "Caligula" and His Hellenistic Aspirations** Geoff W. Adams, 2007 The Roman Emperor Gaius Caligula and his Hellenistic Aspirations examines one of the most notorious of Roman Emperors in light of his rather unconventional upbringing in the Eastern Provinces of the Roman Empire The study has sought to use the ancient evidence in order to reassess the context in which the young Gaius Caligula was raised particularly in relation to the influence of his father Germanicus The Economy of Pompeii Miko Flohr, Andrew Wilson, 2017 This book is the first to address from a variety of perspectives the economy of the Roman city of Pompeii It uses archaeological and textual evidence to discuss topics as diverse as agriculture in the fertile plains at the foot of Mount Vesuvius diet and health manufacturing urban investment consumption trade and money

Cicero's Role Models Henriette van der Blom, 2010-07-29 This book is about the famous Roman orator and statesman Cicero and his rhetorical and political strategy as a newcomer in Roman republican politics Henriette van der Blom argues that Cicero advertised himself as a follower of chosen models of behaviour from the past his role models and in turn presented himself as a role model to others This new angle provides fresh insights into the political and literary career of one of the best known Romans and into the political discourse of the late Roman Republic **The Oxford Handbook of Social Relations in the Roman World** Michael Peachin, 2011 The study of Roman society and social relations blossomed in the 1970s By now we possess a very large literature on the individuals and groups that constituted the Roman community and the various ways in which members of that community interacted There simply is however no overview that takes into account the multifarious progress that has been made in the past thirty odd years The purpose of this handbook is twofold On the one hand it synthesizes what has heretofore been accomplished in this field On the other hand it attempts to configure the examination of Roman social relations in some new ways and thereby indicates directions in which the discipline might now proceed The book opens with a substantial general introduction that portrays the current state of the field indicates some avenues for further study and provides the background necessary for the following chapters It lays out what is now known about the historical development of Roman society and the essential structures of that community In a second introductory article Clifford Ando explains the chronological parameters of the handbook The main body of the book is divided into the following six sections 1 Mechanisms of Socialization primary education rhetorical education family law 2 Mechanisms of Communication and Interaction 3 Communal Contexts for Social Interaction 4 Modes of Interpersonal Relations friendship patronage hospitality dining funerals benefactions honor 5 Societies Within the Roman Community collegia cults Judaism Christianity the army and 6 Marginalized Persons slaves women children prostitutes actors and gladiators bandits The result is a unique up to date and comprehensive survey of ancient Roman society

Roman Coins And Public Life Under The Empire is a vital topic that needs to be grasped by everyone, from students and scholars to the general public. This book will furnish comprehensive and in-depth insights into Roman Coins And Public Life Under The Empire, encompassing both the fundamentals and more intricate discussions.

1. This book is structured into several chapters, namely:
 - Chapter 1: Introduction to Roman Coins And Public Life Under The Empire
 - Chapter 2: Essential Elements of Roman Coins And Public Life Under The Empire
 - Chapter 3: Roman Coins And Public Life Under The Empire in Everyday Life
 - Chapter 4: Roman Coins And Public Life Under The Empire in Specific Contexts
 - Chapter 5: Conclusion
 2. In chapter 1, the author will provide an overview of Roman Coins And Public Life Under The Empire. This chapter will explore what Roman Coins And Public Life Under The Empire is, why Roman Coins And Public Life Under The Empire is vital, and how to effectively learn about Roman Coins And Public Life Under The Empire.
 3. In chapter 2, this book will delve into the foundational concepts of Roman Coins And Public Life Under The Empire. This chapter will elucidate the essential principles that need to be understood to grasp Roman Coins And Public Life Under The Empire in its entirety.
 4. In chapter 3, this book will examine the practical applications of Roman Coins And Public Life Under The Empire in daily life. The third chapter will showcase real-world examples of how Roman Coins And Public Life Under The Empire can be effectively utilized in everyday scenarios.
 5. In chapter 4, the author will scrutinize the relevance of Roman Coins And Public Life Under The Empire in specific contexts. This chapter will explore how Roman Coins And Public Life Under The Empire is applied in specialized fields, such as education, business, and technology.
 6. In chapter 5, the author will draw a conclusion about Roman Coins And Public Life Under The Empire. The final chapter will summarize the key points that have been discussed throughout the book.
- This book is crafted in an easy-to-understand language and is complemented by engaging illustrations. This book is highly recommended for anyone seeking to gain a comprehensive understanding of Roman Coins And Public Life Under The Empire.

Roman Coins And Public Life Under The Empire Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information.

No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Roman Coins And Public Life Under The Empire PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Roman Coins And Public Life Under The Empire PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Roman Coins And Public Life Under The Empire free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Roman Coins And Public Life Under The Empire Books

What is a Roman Coins And Public Life Under The Empire PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Roman Coins And Public Life Under The Empire PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Roman Coins And Public Life Under The Empire PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Roman Coins And Public Life Under The Empire PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Roman Coins And Public Life Under The Empire PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
