Strategic Cultures and Security Policies in the Asia-Pacific Jeffrey S. Lantis, 2016-03-22 This book shows how one of the most powerful tools of security studies strategic culture illuminates the origins and implications of the Asia Pacific region's difficult issues from the rise of China and the American pivot to the shifting calculations of many other actors Strategic culture sometimes challenges and always enriches prevailing neo realist presumptions about the region It provides a bridge between material and ideational explanations of state behavior and helps capture the tension between neoclassical realist and constructivist approaches The case studies in this book survey the role of strategic culture in the behaviors of Australia China Japan the Philippines South Korea and the United States They show the contrast between structural expectations and cultural predispositions as realist geopolitical security threats and opportunities interact with domestic elite and popular interpretation of historical narratives and distinctive political military cultures to influence security policies The concluding chapter devotes special attention to methodological issues at the heart of strategic cultural studies as well as how culture may impact the potential for future conflict or cooperation in the region The result is a body of work that helps deepen our understanding of strategic cultures in the Asia Pacific in comparative perspective and enrich security studies This book was published as a special issue of Contemporary Security Policy

**Emperor's Feast** Jonathan Clements,2021-02-11 A galloping journey through thousands of years of Chinese culinary history a timely reminder that the country s modern cuisine is the delicious fruit of a rich ancient and perhaps surprisingly multicultural tradition FUCHSIA DUNLOP SPECTATOR A tasty portrait of a nation SUNDAY TELEGRAPH A splendid introduction to the complex history of China GUARDIAN A terrific read Jonathan Clements writes with erudition and humour DAILY MAIL This book is itself a feast each chapter a sumptuous course Frederik L Schodt author of My Heart Sutra Witty and insightful Derek Sandhaus author of Drunk in China The history of China not according to emperors or battles but according to its food and drink The Emperor s Feast is the epic story of a nation and a people told through one of its most fundamental pillars and successful exports food Following the journeys of different ingredients dishes and eating habits over 5 000 years of history author and presenter Jonathan Clements examines how China s political cultural and technological evolution and her remarkable entrance onto the world stage have impacted how the Chinese and the rest of the world eat drink and cook We see the influence of invaders such as the Mongols and the Manchus and discover how food like the fiery cuisine of Sichuan or the hardy dishes of the north often became a stand in for regional and national identities We also follow Chinese flavours to the shores of Europe and America where enterprising chefs and home cooks created new traditions and dishes unheard of in the homeland From dim sum to mooncakes to General Tso s chicken The Emperor s Feast shows us that the story of Chinese food is ultimately the story of a nation not just the one that history tells us but also the one that China tells us about itself Revolutionary States, Leaders, and Foreign Relations Houman A. Sadri,1997-04-16 This book

compares and contrasts the foreign relations strategies of China Cuba and Iran in the first decade of their post revolutionary periods Among a variety of explanatory variables leadership particularly the type of revolutionary leaders played a significant

role in explaining the outcome of the policymaking process in each case Three distinct patterns of foreign relations strategies are evident among all three revolutionary regimes in the ten year period Two Track Conflictual and Conciliatory This book is a valuable source for both experts and non experts alike in providing insight into the foreign relations of revolutionary regimes in developing countries and in helping U S policymakers anticipate behaviors of future revolutionary leaders A focal point of this book is the examination of the nonalignment strategies of these prominent developing countries during the infancy of their regimes Each state s particular strategy is described and explained in detail and then contrasted and compared Although there are differences among their foreign policies considering their geographic locations size wealth military capabilities leadership characteristics and political institutions there are significant similarities regarding their foreign policy goals and trends in their foreign relations with the Great Powers Among explanatory factors leadership played a significant role in the policy making process although the foreign relations strategies of these revolutionary regimes were fed by a combination of national and international variables In all three states the tone of foreign policy was set by revolutionary leaders who were either idealists or realists Idealists tended to take a more active and conflictual approach toward one or both of the superpowers while Realists were more cautious and less willing to resort to a conflictual posture This book also investigates the gap between the theoretical and practical nonalignment stance of each state This cross regional study provides policy analysts with clues about the foreign policies of other revolutionary developing countries in similar situations Finally it makes suggestions about how a Great Power may relate to a developing country during its first post revolution decade

**A Sense of the Enemy** Zachary Shore, 2014-02-13 More than two thousand years ago the Chinese strategist Sun Tzu advised us to know our enemies The question has always been how In A Sense of the Enemy the historian Zachary Shore demonstrates that leaders can best understand an opponent not simply from his pattern of past behavior but from his behavior at pattern breaks Meaningful pattern breaks occur during dramatic deviations from the routine when the enemy imposes costs upon himself It s at these unexpected moments Shore explains that successful leaders can learn what makes their rivals truly tick Shore presents a uniquely revealing history of twentieth century conflict With vivid suspenseful prose he takes us into the minds of statesmen to see how they in turn tried to enter the minds of others In the process he shows how this type of mind reading which he calls strategic empathy shaped matters of war and peace Mahatma Gandhi for instance was an excellent strategic empath In the wake of a British massacre of unarmed Indian civilians how did Gandhi know that nonviolence could ever be effective And what of Gustav Stresemann the 21 year old Wunderkind Ph D who rose from lobbyist for chocolate makers to Chancellor of Germany How did he manage to resurrect his nation to great power status after its humiliating loss in World War One And then there is Le Duan the shadowy Marxist manipulator who was actually running North Vietnam during the 1960s as opposed to Ho Chi Minh How did this rigid ideologue so skillfully discern America s underlying constraints And armed with this awareness how did he construct a grand

strategy to defeat the United States One key to all these leaders triumphs came from the enemy s behavior at pattern breaks Drawing on research from the cognitive sciences and tapping multilingual multinational sources Shore has crafted an innovative history of the last century s most pivotal moments when lives and nations were on the line Through this curious study of strategic empathy we gain surprising insights into how great leaders think **Chikamatsu** C. Andrew Gerstle,Chikamatsu,2002-09-04 Chikamatsu Monzaemon 1653 1725 often referred to as Japan s Shakespeare and a god of writers was arguably the most famous playwright in Japanese history and wrote more than 100 plays for the kabuki and bunraku theaters Today the plays of this major literary figure are performed on kabuki and bunraku stages as well as in the modern theater and forty nine films of his plays have been made thirty one of them from the silent era Translations of Chikamatsu s plays are available but we have few examples of his late work in which he increasingly incorporated stylistic elements of his shorter contemporary dramas into his longer period pieces Translator C Andrew Gerstle argues that in these mature history plays Chikamatsu depicted the tension between the private and public spheres of society by combining the rich character development of his contemporary pieces with the larger political themes of his period pieces In this volume Gerstle translates five plays four histories and one contemporary piece never before available in English that complement other collections of Chikamatsu s work revealing new dimensions to the work of this great Japanese playwright and artist

**Dragon in Ambush** Jeremy Ingalls,2013-05-16 Dragon in Ambush by Jeremy Ingalls is a critique and new translation of the first twenty poems of Mao Zedong s published poetry This seminal work stands out from previous translations of Mao s poems in seeing them as an expression of his core political beliefs rather than for their poetic effect Instead Dr Ingalls shows in consummate detail that Mao was careful and deliberate in employing imagery in his poetry to lay out procedures for political supremacy in which the central drive was his will to psychological domination That is domination of the minds of others is the unifying theme of Mao s verse sequence The crux of Prof Ingalls work lies in her focus on the symbolism in the poems The poems are in Mao s use of them as a means of communication meaningless on their surface No image however seemingly commonplace is ever employed for merely lyrical or aesthetic description Every image functions as a factor in an entirely political calculus According to Dr Ingalls When Mao mentions streams or mountains suns or moons clouds or winds or icicles horses elephants snakes tigers leopards or bears specifies kinds of trees or birds or fish flies brooms mats or bridges these and all his other images have as their primary function neither happenstance descriptions nor whimsical metaphor They all have politically symbolic functions in Mao s algebra of versified political discourse Furthermore in her analysis Prof Ingalls downplays the significance of Marxism Leninism in the Thought of Mao Zedong She shows that throughout his career Mao regarded Marxism Leninism as a political convenience not as a doctrine permanently essential to his master plan Just as Mao used the Nationalists of Chiang Kai shek and Stalin s Soviet Union as means to further his own political ambitions so did he manipulate Marxist Leninist ideology to hoodwink and attract at home and abroad professional

revolutionaries to help do his bidding Mao's aims express in their worldviews an entirely Chinese tradition In his poems Mao's dialectics his materialism and his authoritarianism all take their points of reference from within the Chinese cultural order Dragon in Ambush is a thoroughly unique and revolutionary approach to understanding the Mind of Mao Zedong **The Chinese Strategic Mind** Hong Liu, 2015-12-18 This book addresses the fundamental issue does the Chinese strategic mind have its own idiosyncrasies which differ considerably from those of the Western mind It expounds and unravels the particular characteristics of the Chinese strategic mind what they are how they are evolved and what strategic implications they have This book adopts a holistic approach to an analysis of Chinese strategic thinking drawing upon the fields of literature including the sources of both the Chinese and English languages military studies political science history sociology psychology philosophy linguistics and business strategy It combines a detailed consideration of these disciplines with a series of case studies to elucidate the formation nature and crucial managerial implications of the idiosyncratic Chinese strategic mind Class-room Libraries for Public Schools Buffalo Public Library (Buffalo, N.Y.), 1923 **Asian Masculinities** Kam Louie, Morris Low, 2005-07-25 This book shows how East Asian masculinities are being formed and transformed as Asia is increasingly globalized The gender roles performed by Chinese and Japanese men are examined not just as they are lived in Asia but also in the West The essays collected here enhance current understandings of East Asian identities and cultures as well as Western conceptions of gender and sexuality While basic issues such as masculine ideals in China and Japan are examined the book also addresses issues including homosexuality women's perceptions of men the role of sport and food and Asian men in the Chinese diaspora Supplement ... to the Classified and Dictionary Catalogue of the Belleville Public Library, Belleville, Illinois ... Belleville Public Library, 1900 **Book Buyer**, 1871 The Book Buyer, 1872 **An Unfinished Republic** David Strand, 2011-07-06 Strand eloquently joins political theories to historical reinterpretation offering a cogent and multifaceted re-reading of China's political culture in the twentieth century An Unfinished Republic is a stunning book of scholarly imagination diligence and sophistication Wen hsin Yeh Richard H Laurie C Morrison Professor in History Walter Elise Haas Professor in Asian Studies Director Institute of East Asian Studies University of California Berkeley An Unfinished Republic proposes a compelling new interpretation of early twentieth century Chinese history It opens up unvisited avenues of inquiry into the uniquely Chinese mode and meaning of Republicanism and remaps the trajectory of Chinese politics over the course of the century Strand is a particularly thoughtful and well-read scholar who commands knowledge of a range of literatures including political science cultural history women's history and political philosophy He adeptly uses tools from all of these fields to support fresh insight into how Chinese Republicanism was understood and more importantly into how it was practiced Joan Judge author of *The Precious Raft of History The Past the West and the Woman Question in China* **Bent's Literary Advertiser and Register of Engravings, Works on the Fine Arts**, 1841
