

The background image is a photograph of a Romanesque wall painting. On the left, a large, cylindrical column is painted with a series of overlapping, semi-circular or oval shapes in shades of orange, yellow, and white. To the right of the column, the wall is covered in a large, faded mural. It features a central figure, possibly a seated saint or a religious figure, surrounded by other figures and architectural elements. The colors are muted, with a lot of ochre, brown, and grey tones, suggesting age and wear. The overall style is characteristic of Romanesque art, with its emphasis on geometric forms and narrative scenes.
