## **Romania Vs The United States Diplomacy Of The Absurd 1985 1989:**

**Romania Versus the United States** NA NA,2016-09-27      **Romania under Communism** Dennis Deletant,2018-10-11

Communism has cast a long shadow over Romania The passage of little over a quarter of a century since the overthrow in December 1989 of Romania s last Communist leader Nicolae Ceau escu offers a symbolic standpoint from which to penetrate that shadow and to throw light upon the entire period of Communist rule in the country An appropriate point of departure is the observation that Romania s trajectory as a Communist state within the Soviet bloc was unlike that of any other That trajectory has its origins in the social structures attitudes and policies in the pre Communist period The course of that trajectory is the subject of this inquiry      **American Diplomacy and the End of the Cold War** Robert L. Hutchings,1997

Hutchings adds a scholar s balanced judgment and historical perspective to his insider s view from the White House as he reconstructs how things looked to policymakers in the United States and in Europe describes how and why decisions were made and critically examines those decisions in the light of what can now be known      **The Ransom of the Jews** Radu Ioanid,2021-06-23 After 1948 the 370 000 Jews of Romania who survived the Holocaust became one of the main sources of immigration for the new state of Israel as almost all left their homeland to settle in Palestine and Israel Romania s decision to allow its Jews to leave was baldly practical Israel paid for them and Romania wanted influence in the Middle East For its part Israel was rescuing a community threatened by economic and cultural extinction and at the same time strengthening itself with a massive infusion of new immigrants Radu Ioanid traces the secret history of the longest and most expensive ransom arrangement in recent times a hidden exchange that lasted until the fall of the Communist regime Including a wealth of recently declassified documents from the archives of the Romanian secret police this updated edition follows Israel s long and expensive ransom arrangement with Communist Romania Ioanid uncovers the elaborate mechanisms that made it successful for decades the shadowy figures responsible and the secret channels of communication and payment As suspenseful as a Cold War thriller his book tells the full startling story of an unprecedented slave trade      *America and Romania in the Cold War* Paschalis Pechlivanis,2019-03-26 This book examines the US foreign policy of differentiation towards the socialist regimes of Eastern Europe as it was implemented by various administrations towards Ceausescu s Romania from 1969 to 1980 Drawing from multi archival research from both US and Romanian sources this is the first comprehensive analysis of differentiation and shows that Washington s Eastern European policy in the 1970s was more nuanced than the common East vs West narrative suggests By examining systemic Cold War factors such as the rise of détente between the two superpowers and the role of agency the study deals with the dynamics that shaped the evolution of American Romanian relations after Bucharest s opening towards the West and the subsequent embrace of this initiative by Washington as an instrument to undermine the unity of the Soviet bloc Furthermore it revises interpretations about Carter s celebrated human rights policy based on the Romanian case pointing towards a remarkable continuity between the three

administrations under examination Nixon Ford and Carter By doing so this study contributes to the field by highlighting a largely neglected aspect of US foreign policy and uncovers the subtleties of Washington's relations with one of the most vigorous actors of the Eastern European bloc This book will be of much interest to students of Cold War Studies US foreign policy Eastern European politics and International Relations in general Revolution and Change in Central and Eastern Europe Andrew Goldman,2016-09-16 A comprehensive introduction to the nations of Central and Eastern Europe over a half century of turbulent change from post war subjugation by the Soviet Union to both shared and divergent experiences of post Communist transition to free market democracies **Perestroika and the Party** Francesco Di Palma,2019-08-01 Countless studies have assessed the dramatic reforms of Mikhail Gorbachev but their analysis of the impact on European communism has focused overwhelmingly on the Soviet Union and Eastern bloc nations This ambitious collection takes a much broader view reconstructing and evaluating the historical trajectories of glasnost and perestroika on both sides of the Iron Curtain Moving beyond domestic politics and foreign relations narrowly defined the research gathered here constitutes a transnational survey of these reforms collective impact showing how they were variably received and implemented and how they shaped the prospects for proletarian internationalism in diverse political contexts **Targeted as a Spy** Ernest H. Latham Jr.,2023-01-10 This book is a collection of surveillance reports that Dr Latham obtained from the Romanian archives following the collapse of the Communist regime They reveal the extent of the surveillance to which Western diplomats were subjected and more importantly they reveal a great deal about the system and society that conducted it Latham's introduction provides the context of his work and Romanian conditions at that time This book is essential reading for students of the Cold War as well as anyone interested in the mindset and methods of totalitarian regimes **Human Rights and Political Dissent in Central Europe** Jakub Tyszkiewicz,2021-12-06 This volume examines to what extent the positive atmosphere created by the Helsinki Accords contributed to the change in political circumstances seen in the countries of Central Europe under Soviet domination It focuses in particular on firstly a consequent new impetus to bolster human rights in international politics as Western democracies especially the US integrated human rights concerns into its foreign policy relations with Soviet Bloc countries and secondly how this Western embrace of human rights seemed to create new incentives for increased dissident activity in Central and Eastern Europe and from 1976 onward Finally the book reminds us of the significant role of the Helsinki Accords in developing democratic practices in Eastern European societies under Soviet domination in 1975 1989 and in creating the conditions for the peaceful transition to democratic government in the years that followed This book will be of key interest to scholars and students of the history of communism post Soviet Russian and central and East European politics the history of human rights and democratization *Romania Versus the United States* NA NA,1994-07-15 This book is a revealing insiders account of the deteriorating special relationship between the United States and Romania in the last years of the Ceausescu dictatorship The authors were the two chief diplomatic actors in the

drama on opposite sides of the dialogue in Bucharest Roger Kirk as U S ambassador to Romania Mircea Raceanu as the Romanian Foreign Ministry s chief of U S and Canadian affairs They document the tangled web of state to state relations in a way few others could and personalize otherwise impersonal diplomacy offering vivid portraits of the major players and an invaluable historical record
