Exploring Romans George R. Knight, 2010 Romans is one of the few books in the New Testament that was not composed as a pastoral response to specific localized problems Instead this letter was written primarily to challenge and ultimately correct widespread misunderstandings about Christianity held by mid first century believers Some of these beliefs are embraced even now Paul s central focus in Romans is the means of obtaining salvation Point by point he systematically builds his case by articulating who needs salvation and why the role of the law God s response to the sin problem resolution of the legal issues presented by sin and the effect each has on the Christian s life This devotional commentary divides the entire text into short passages that are followed by a detailed user friendly exegetical explanation and practical application to everyday life The lives of such men as Martin Luther and John Wesley whose writings helped shape Western history were changed by the study of Romans It will change your life as well Book jacket

The New Testament Devotional Commentary, Volume 3 Bo Giertz, Bror Erickson, 2023-08-15 In the third volume of his New Testament Devotional Commentaries Volume 3 Galatians Through Revelation Bo Giertz returns to the text with his keen insight and love for God s word and God s people This would finish his

work as an author that began in the 1930s and continued for five decades Taking the principles of Biblical Realism he had learned from his mentor Anton Fridrichsen with its rejection of both liberal higher criticism and fundamentalist biblicism Bo Giertz opens some of the most difficult to understand texts in all of Scripture with a simple understanding that this is God's word for you He blends this approach to Scripture with pastoral insight gained from his years as both a rural parish priest in the Swedish countryside and the Bishop of the bustling cosmopolitan center of Gothenburg His commentary on Revelation is particularly revolutionary Appendix The Bible's View of Itself and Other Views of the Bible **Romans** Bo Giertz, Bror Erickson, 2018-02-13 Fans of The Hammer of God and With My Own Eyes will enjoy this devotional commentary on Romans from Pastor Bo Giertz The beloved 20th century bishop takes readers through Paul's letter to the Romans pointing to God's grace in Christ and forgiveness for the sinner at every turn Known as the C S Lewis of Sweden Bo Giertz unerringly reveals the fountain of good news in every Romans passage Giertz delivers part commentary by thoroughly dissecting each passage and part devotional as he keenly directs readers to comforts won for them by Christ crucified in all His saving glory
